Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the

art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition's practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition s distinctives as requisite for true ecumenical enrichment. The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work s thesis **Devotional Classics: Revised Edition** Richard J. Milton, 2024-10-18 Always preach to broken hearts and you will never lack for a congregation an old saying goes And for that reason this book is for everyone because there are many many things that break our hearts Sicknesses spiritual depression disabilities painful memories strained relationships all of these weigh on Christians hearts at one time or another And even when our hearts feel light there is a longing that runs through us a crying of the soul for eternity for a new heavens

and a new earth Yet even in the midst of our heartache we know there is a faith that comes from Jesus Christ that not only encourages us through our pain but can even transform our pain as long as we let it And here is a collection of warm pastoral messages filled with personal illustration that does just that helps the brokenhearted Christian to locate the God of all comfort in the center of all pain We are not left there either Mike Milton takes us a step further to see how the gospel actually transforms our private pain into personal praise So read and discover how God uses the things that seek to destroy us to become the very things that bring us salvation bring us hope bring us to prayer bring us together and ultimately bring The Six Deadly Sins of Preaching Robert Stephen Reid, Lucy Lind Hogan, 2012 Don t give in to the vices of preaching what you didn t know there is such a thing Learn from these stories of failure and become a responsible Journal of Biblical and Theological Studies, Issue 6.2 Daniel S. Diffey, Ryan A. Brandt, Justin preacher McLendon, 2022-03-11 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students IBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics The Merging of Theology and **Spirituality** Larry S. McDonald, 2006-07-29 While acknowledging the inherent tension between evangelicals who emphasize theological propositions and those who emphasize personal experience Alister McGrath believes that spirituality represents the interface between ideas and life between Christian theology and human existence The book explores the centrality of McGrath s theology in the development of his views on spirituality McGrath does not approach spirituality from a theological void but instead uses his theological perspective as the foundation Through detailed examination of McGrath s previous work and the writing of other evangelicals The Merging of Theology and Spirituality offers an overview of a unique thinker s contributions and a guide for future theological and spiritual exploration Evangelical Calvinism Myk Habets, Bobby Grow, 2017-05-04 Continuing the discussion initiated in volume one volume two of Evangelical Calvinism further articulates the central motifs of this mood within Reformed theology by examining themes having to do with dogmatics and devotion After further clarifying the methodological and dogmatic aspects common to an Evangelical Calvinism the heart of the present volume is an explication of the vicarious ministry of Christ as it is worked out in its diverse theological dimensions

The volume offers constructive accounts of various aspects of liturgy sacraments and doxology showing the vitality and lived spirituality of this Christian vision of faith and practice Both advocates and critics of Evangelical Calvinism now have an extended and thorough body of work with which to interact As with volume 1 this volume promises to set the agenda for contemporary and constructive Reformed studies in a way that provides an alternative to neo Calvinism and Westminster Calvinism alike When God Doesn't Answer Your Prayer Jerry L. Sittser, 2009-10-14 More than a decade ago Jerry Sittser prayed for the protection of his family yet three of his loved ones his daughter his wife and his mother died in an automobile accident What went wrong Why wasn t my prayer answered he asks It is no longer an abstract question to me What should we do and how should we respond when our prayers prayers that seem right and true and good go unanswered In When God Doesn t Answer Your Prayer Sittser continues exploring the issues he addressed in A Grace Disguised He asks Why doesn t God answer our prayers What if anything can we do about it Sittser is intensely committed to exploring the Christian faith especially when it doesn't seem to work In this thoughtful and beautifully written book he moves beyond easy answers and religious formulas to explore the goodness and greatness of a God who cannot be controlled but can be trusted When God Doesn t Answer Your Prayer takes an honest and probing look at the problem of unanswered prayer In doing so it draws us ever deeper into a relationship with the God who is the end of all our prayers the object of our faith the one who fulfills our deepest longings The God Who Rejoices Christian D. Kettler, 2010-06-01 How does one deal with despair Are joy and despair irreconcilable How does the joy and despair of Jesus Christ relate to our joy and despair Continuing to explore the implications of the vicarious humanity of Christ as he did in The God Who Believes Christian Kettler investigates the christological implications of the all too human phenomenon of despair All people experience the pain of personal loss and lack of the meaninglessness of existence We also desire and covet joy as difficult as it is often to define or maintain Jesus was both the man of sorrows and one who for the joy set before him endured the cross Heb 12 2 Can we think of the despair of Christ and the joy of Christ as both being vicarious in our place and on our behalf and thus have a theological way to possess joy in the midst of despair as well as to have a more robust theology of the atonement Drawing on wide ranging resources from Augustine Calvin Karl Barth and T F Torrance to Bob Dylan the fantasy writer Ray Bradbury and Ed Wood the director of Plan Nine from Outer Space Kettler seeks to bring Trinitarian and incarnational theology deep into our flesh filled with real despair and joy and find that Jesus is there with his own despair there to lift us up with his own joy Sabbath Paul D. Patton, Robert H. Woods Jr., 2021-08-04 The authors writing as scholars of communication and media demonstrate how God's great gifts of media and technology can rob us of everyday Sabbath and impede spiritual growth if not faithfully stewarded through a process described as mindful media attachment Mindful media attachment helps to promote the holy habits of sacred intentionality sacred interiority and sacred identity These three sacreds which arise from a proper understanding of the grammar and language of media and technology ultimately allow us to avoid treating media and
