Campbell, 2022-03-14 Movies and television series are excellent tools for teaching political science and international relations Understanding how stories in various film and television genres illustrate political ideas can better assist students and fans understand and appreciate the political subtext of these media products This book examines politics through five film genres and their variants Gangster movies focus on American and other organized crime They reached their zenith in the films of Francis Ford Coppola and Martin Scorsese Political thrillers express paranoia about secrecy and political conspiracies while action movies channel anger at foreign and domestic threats to order Superhero films and TV present modern characters who seek to serve society

as they face personal struggles about their individual identities War movies promote positive images of wars when conflicts are perceived as successful but often include antiwar messages when wars turn out badly Western movies fell out of favor in the 1970s and 1980s but have undergone a renaissance since the 1990s Westerns can be taken as either political parables or as meditations on policing anarchy community organization The author argues that while these genres all offer escape they also offer important political lessons

Noir Fiction and Film Lee Clark Mitchell, 2021 The argument of *Noir Fiction and Film* is curiously counterintuitive that in a century of hard boiled fiction and detective films characteristics that at first seemed trivial swelled in importance flourishing into crucial aspects of the genre Among these are aimless descriptions of people and places irrelevant to plot along with detectives consisting of little more than sparkling dialogue and flippant attitudes What weaves together such features however seems to be a paradox that a genre rooted in solving a mystery structured around the gathering of clues must do so by misdirecting our attention even withholding information we think we need to generate the suspense we also desire Yet successful noir stories and films enhance that suspense through passing diversions descriptive details and eccentric perspectives rather than depending on the center pieces of plot alone suspected motives or incriminating traces As the greatest practitioners of the genre have realized the how of detective fiction its stylistic detours draws us in more insistently than the what or the who its linear advance And the achievement of recent film noir is to make that how become the tantalizing object of our entire attention shorn of any pretense of reading for the plot immersing us in the diversionary delight that has animated the genre from the beginning

Worth Dying For Lee Child, 2011-04-26 THE 1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES Don't miss the hit streaming series *Reacher* A heart racing page turner that hits the ground running and then accelerates all the way to a colossal showdown Jack Reacher is the coolest continuing series character now on offer Stephen King in *Entertainment Weekly* There's deadly trouble in the corn country of Nebraska and Jack Reacher walks right into it First he falls foul of the Duncans a local clan that has terrified an entire county into submission But it's the unsolved case of a missing child already decades old that Reacher can't let go The Duncans want Reacher gone and it's not just past secrets they're trying to hide They're awaiting a secret shipment that's already late and they have the kind of customers no

one can afford to annoy For as dangerous as the Duncans are they re just the bottom of a criminal food chain stretching halfway around the world For Reacher it would have made much more sense to keep on going to put some distance between himself and the hard core trouble that s bearing down on him For Reacher that was also impossible The Woman's Wakeup Lois Joy Johnson,2015-12-22 Women know from experience that what it means to be independent adventurous successful and sexy changes over time to fit new mindsets roles and lifestyles Whether navigating the landscape of a new career path dating again in a digital age or in need of a beauty and fashion overhaul award winning journalist and author Lois Joy Johnson has the fix for women 50 The Woman s Wakeup is a user friendly inspirational guide that provides firsthand advice for women on everything from dating again to being a glam grandmother reviving a wardrobe making friends in a new town working in a new environment and figuring out how to stand out in a youth obsessed world Filled with Johnson s expert tips as well as interviews with medical professionals and women 50 of various walks of life who have been there done that and are still on the road to adventure The Woman s Wakeup will inspire you to feel more confident stylish and evolved than ever **Books Out Loud** ,2007 **Make Me (with bonus short story Small Wars)** Lee Child,2016-03-29 1 NEW YORK TIMES BESTSELLER Don t miss the hit streaming series Reacher ONE OF THE BEST BOOKS OF THE YEAR Los Angeles Times The Guardian Suspense magazine Stephen King calls Jack Reacher the coolest continuing series character and now he s back in this masterly new thriller from Lee Child Why is this town called Mother s Rest That s all Reacher wants to know But no one will tell him It s a tiny place hidden in a thousand square miles of wheat fields with a railroad stop and sullen and watchful people and a worried woman named Michelle Chang who mistakes him for someone else her missing partner in a private investigation she thinks must have started small and then turned lethal Reacher has no particular place to go and all the time in the world to get there and there s something about Chang so he teams up with her and starts to ask around He thinks How bad can this thing be But before long he s plunged into a desperate race through LA Chicago Phoenix and San Francisco and through the hidden parts of the internet up against thugs and assassins every step of the way right back to where he started in Mother s Rest where he must confront the worst nightmare he could imagine Walking away would have been easier But as always Reacher s rule is If you want me to stop you re going to have to make me *The Reacher Guy* Heather Martin,2020-09-29 An exquisitely written and nuanced biography of an exceptional individual and writer who has created the 1 international bestselling hero Jack Reacher revered by dedicated and loyal readers worldwide Lee Child has a great public persona he is gracious and generous with readers and fans But Jim Grant is a reticent and very private man This rags to riches literary and social biography is based principally on disarmingly frank personal conversations and correspondence with the author since 2016 and privileged access to archival materials It consists almost entirely of original material and is the nearest thing the world is likely to get to the autobiography he does not intend to write There are a handful of great Lee Child Reacher stories that have been recycled over and over again They are so good that no one has

bothered to look beyond them This book revisits and sometimes revises those irresistible stories but goes back further and digs deeper The emphasis on chronology accuracy and specificity is unprecedented The Lee Child origin myth is much loved But mostly it sees him springing fully formed from the brow of Granada Television There are glancing references to Aston Villa and the schoolyard but no one has examined the social and historical detail or looked closely at where Lee really came from the people places and period This is the first time someone has described the Lee Child arc from peaceful obscurity in the Yorkshire Dales and Upstate New York to cult figure no 1 in America rock star celebrity and publishing institution through to backlash the changing zeitgeist and intimations of retirement The analysis of the emotional power and significance of Lee s work in the final chapters the themes of happiness addiction dependency loneliness and existential absurdity and the first hand retrospective accounts of his life and second act career are all exclusive to this definitive biography
