Diets are like Band Aids for what's really bothering us. When the weight comes back, we still haven't solved the real issues behind our eating habits or why. This book is different. Chapter by chapter, Abby helps readers uncover the why behind their desire to lose weight and their relationship with food, and make lasting, meaningful change to the way they see food, nutrition, themselves, and the world around them. In this book, you'll learn how guilt and shame affect your food choices, how fullness and satisfaction aren't the same feeling, why it's important to quiet your diet voice and enjoy food, and what the best way to eat is according to science. Empowering, inclusive, smart, and a must-have. *Good Food, Bad Diet* will give you the tools to reject diets, repair your relationship with food, and lose weight so you can move on with your life. — *Good Food for Everyone* Tina Addison, 2012-04

Tina Addison's journey with *Good Food For Everyone* began twelve years ago when she discovered recipes from her deceased mother and grandmother. As she retyped their recipes, she was inspired to write her thoughts and memories about these two wonderful role models. This writing process became so therapeutic that it expanded to include recipes and stories about other family and friends. Tina tweaked everyone's favorite recipes to make them vegetarian. A real farmer's daughter, Tina grew up on a dairy farm in Western Massachusetts. She returned to her farming roots and founded the Norfolk Volunteer Community Garden. Along with a troop of volunteer farmers, this garden provides a free farmers market for her town's food pantry. The mission of her company, *Good Food For Everyone*, is to raise the awareness of the need to provide nutritious food to food pantries. Please enjoy these recipes that will bring nutritious food to your table and are sure to please even the pickiest eaters. Profits from the sale of this book will be donated to food pantries. Together, we can help to conquer the world hunger epidemic that we face. — **A Good Food Day** Marco Canora, Tammy Walker, 2014-12-30

In *A Good Food Day*, more than 100 recipes made with good-for-you ingredients make a good food day a day when feeling good and eating well go hand in hand, easy and attainable. After years of thoughtless eating that led to weight gain and poor health, chef Marco Canora knew he had to make every day a good food day, a whole day in which every meal was full of healthy and delicious ingredients. But he wasn't willing to give up flavor for health. Instead of dieting, he decided to make simple, natural recipes fit for a food lover's palate. Marco explains the secret powers of good-for-you ingredients such as low-GI carbohydrates and alkaline-forming greens, and then builds them into recipes that are all about satisfaction, such as Amaranth Polenta with Tuscan Kale, Black Rice Seafood Risotto, Citrus-Spiked Hazelnut, and Rosemary Granola, and Chickpea Crepe Sandwiches. He covers techniques to coax natural flavor out of dishes, including infusing seasoning into vegetable salads and pounding fresh herbs and spices into lean meats. To make a lasting change in your diet, the food you eat has to be delicious. *A Good Food Day* is for people who love real food and know that healthy and flavorful can go hand in hand. — *Good Food--Fast!* Jason Roberts, Stacey Colino, 2014-12-02
