

Governing by Network

A large triangular network diagram composed of smaller triangles and nodes. The diagram is a Sierpinski triangle, a fractal that is a self-similar geometric figure. It is constructed by starting with a large equilateral triangle, dividing it into four smaller equilateral triangles, and then removing the central triangle. This process is repeated, creating a complex, interconnected network of lines and nodes. The nodes are represented by small circles at the vertices of the triangles. The text "The New Shape of the Public Sector" is centered within the diagram.
