deep understanding of the practice of public policy making and management The contradictions within a shift to governance are clearly highlighted and the notion of a third way is carefully deconstructed This book is an important contribution to the literature and will provide stimulating reading for academic researchers and students George Boyne Professor of Public Sector Management Cardiff Business School Cardiff University The tale of Tony Blair and government is a complicated one which Janet Newman tells with insight and academic rigour It deserves wide readership it ought to pique the interest of all those concerned with the condition of British democracy David Walker Analysis Editor and Leader Writer The Guardian The first comprehensive guide that explores the politics and policies of new Labour Has Labour s responses to the challenges and issues of the past 4 years represented something radically different both in content and style from the Thatcher and Major years Did it in the language of this book represent the emergence of a new form of governance in the UK This book offers Critical insights into Labour s impact on the relationship between government and citizens public services and their users the state and civil society Interpretations of core themes in Labour s policy agenda the Third Way and social democracy modernising government public service reform joined up government and partnership public participation and democratic renewal remaking civil society Drawing on cultural and institutional theory the author brings a fresh approach to the study of governance politics and policy She traces Labour s attempt to reinstall the social in public and social policy by examining its use of the discourses of democracy citizenship community social inclusion partnership and public participation The book analyses the implications of these new and not so new discourses for the practice of making and delivering policy and the patterns of equality and diversity that they invoke It also highlights the way in which managers professionals and staff are responding to the new agenda and the tensions and dilemmas produced in the process of institutional change *Good Governance and Civil Society Participation in Africa* Organization for Social Science Research in Eastern and Southern Africa, Ossrea, 2008-12-31 governments and the public at large Book Jacket **Student engagement in Europe: society, higher education and student governance** Manja Klemenčič, Sjur Bergan, Rok Primožič, 2015-05-27 Democratic institutions and laws are essential but they cannot bring about democracy on their own They will only function if they build on a culture of democracy and our societies will not be able to develop and sustain such a culture unless education plays an essential role Student engagement is crucial democracy cannot be taught unless it is practised within institutions among students and in relations between higher education and society in general This 20th volume of the Council of Europe Higher Education Series demonstrates the importance of student engagement for the development and maintenance of the democratic culture that enables democratic institutions and laws to function in practice This volume covers three aspects of student engagement that are seldom explored its role in society through political participation and civic involvement its place in higher education policy processes and policy making structures and how student unions represent the most institutionalised form of student engagement The authors are accomplished scholars policy makers students and student

leaders *Outer Space* Glenn Reynolds, Robert Merges, 2019-08-22 This book examines the international and domestic American legal problems associated with activity in outer space from a strong policy perspective with particular attention given to problems associated with space commercialization and with military activities in outer space *Outer Space Problems of Law and Policy* is indispensable as a casebook reference and self teaching tool for students practitioners academics and members of the aerospace industry *Polycentric Governance and the Good Society* Pablo Paniagua, David Thunder, 2024-08-22 *Polycentric Governance and the Good Society* A Normative and Philosophical Investigation offers an examination of the idea of polycentric governance as one of the pillars of a flourishing human society Rather than following the conventional path of suppressing complexity and diversity for the sake of reaching agreement on justice and political stability David Thunder and Pablo Paniagua see complexity and diversity as assets that should be leveraged to make the Open Society a more prosperous resilient and flourishing place to live *Polycentric Governance and the Good Society* provides valuable food for thought for academics and students looking for a probing cross disciplinary discussion of the ethos and institutions of liberal democracy under conditions of social pluralism Although the volume includes diverse disciplinary lenses such as public choice theory MacIntyrean social theory and constitutional law the driving concern is to exhibit the potential advantages of polycentric approaches to governance and social coordination for constructing a feasible and morally attractive social order This is the first extended academic work to explore in depth the advantages not only from an economic and organizational standpoint but also from a broader ethical sociological and anthropological perspective of polycentric governance arrangements *What Kind of Information Society? Governance, Virtuality, Surveillance, Sustainability, Resilience* Jacques J. Berleur, Magda David Hercheui, Lorenz Hilty, 2010-08-23 The present book contains the proceedings of two conferences held at the World Computer Congress 2010 in Brisbane Australia September 20 23 organised by the International Federation for Information Processing IFIP In the first part the reader can find the proceedings of the 9th Human Choice and Computers International Conference HCC9 organised by the IFIP Technical Committee TC9 on the Relationship Between ICT and Society The HCC9 part is subdivided into four tracks Ethics and ICT Governance Virtual Technologies and Social Shaping Surveillance and Privacy and ICT and Sustainable Development The second part consists of papers given at the Critical Information Infrastructure Protection Conference CIP organized by the IFIP Technical Committee TC11 on Security and Privacy Protection in Information Processing Systems The two parts of the book are introduced by the respective Conference Chairs Chapter 1 introduces HCC9 providing a short summary of the HCC conference series which started in 1974 and explaining the overview of HCC9 detailing the rationale behind each of the tracks in this conference The details related to the papers of each track are discussed by the Track Chairs in the respective introductions to the specific tracks of HCC9 Chaps 2 10 16 and 22 Finally Chap 22 introduces the CIP part **The Rule of Law and Governance in Indigenous Yoruba Society** John Ayotunde Isola Bewaji, 2016-08-22 In *The Rule of Law and Governance in Indigenous*

Yoruba Society John Ayotunde Isola Bewaji has two main goals The first is to provide an exploration of aspects of indigenous Yoruba philosophy of law The second is to relate this philosophy of law to the Yoruba indigenous traditions of governance with a view to appreciating the relevance of the Yoruba traditions of law and governance to contemporary African experiments with imported Western democracy in the 21st century This book is devoted to what can be described as a juridical forensic investigation of Nigeria's predicament of developmental deficit leading to gross and unconscionable impoverishment of large segments of the population in the midst of so much natural resources and abundant human capital using Yoruba indigenous legal traditions as reflective template Bewaji urges that Africa has to take seriously the necessity of obedience observance enforcement and operation of law as no respecter of persons groups affiliations and pedigrees as was in the case in the societies founded by our ancestors rather than the present scenario whereby the highest bidder procures semblances of justice from a crooked system of common law which was never designed to be fair equitable and just to the disadvantaged in society

Citizens, Civil Society, and Activism under the EPRDF Regime in Ethiopia Camille Louise Pellerin, Logan Cochrane, 2023-07-15 In 2014 15 the Ethiopian government together with many academics and observers was surprised by the outbreak of anti government protests as large scale public contestation of the Ethiopian People's Revolutionary Democratic Front EPRDF had been largely absent in the regime's history The dominant narrative about the EPRDF regime was that it was a top down government using authoritarian methods to ensure the population abided by its visions and directives and describing its role in paternalistic ways such as being the protector and guardian of the people Changing this narrative Citizens Civil Society and Activism under the EPRDF Regime in Ethiopia considers how citizens and civil society expressed their interests and exerted their agency in an authoritarian setting Focusing on the EPRDF regime over a period of three decades up to 2019 the book explores civic activism in Ethiopia presenting diverse examples of how citizens have re shaped the country Challenging state centric readings of state society relations under EPRDF governance this collection provides a counternarrative that emphasizes the role and agency of citizens and civil society The contributing authors draw on a heuristic analytical framework that examines different types of interactions between civil society and state actors co optation co operation coexistence and contestation and captures the ways in which civil society actors make their voices heard At a time when authoritarian forms of governance are increasingly prevalent across the world this critically important collection offers insight into how citizens claim their agency and challenge state power in apparently top down contexts

government and economy **Think Tanks, Governance, and Development in Africa** Frank L.K. Ohemeng, Joseph R.A.

Ayee, 2024-05-02 This significant book addresses an important missing link in the literature on politics governance public policy and administration in sub Saharan Africa It contributes to the understanding of the emergence of independent institutions that are now playing active roles in formulating and implementing public policies and programs in these countries *Humanistic Governance in Democratic Organizations* Sonja Novković, Karen Miner, Cian McMahon, 2023-02-02

This open access edited book brings together a number of theories under the umbrella of humanistic governance to develop a persuasive alternative perspective on governance particularly for democratic organisations such as co operatives It examines how we can move beyond a profit first approach to governance into a framework that prioritises human dignity in all aspects of an operation This book also discusses key issues for different types of cooperatives and how these might be addressed And finally it addresses how cooperatives can better cope with dynamic change processes This book will be of interest for academics working in the areas of stakeholder governance social solidarity economy ethical management and co operatives

Economic Change Governance and Natural Resource Wealth David Reed, 2023-04-14 This volume analyzes the ways in which natural resource wealth has shaped authoritarian political regimes and statist economic systems in the countries of southern Africa in the post colonial period It consists of five essays The first sets out the historical framework and emergence of natural resources as the crucial driver of economies in sub Saharan Africa Three essays drawing on in country research focus on Tanzania Zambia and Zimbabwe They show how this explains the economic evolution of those countries in particular the impacts of economic and institutional changes on the bulk of the population the rural poor The final essay explores the nature of the changes and their neoliberal economic context and the ways in which their harmful consequences might be relieved Jehovah's Witnesses George D. Chryssides, 2016-12-05 From its origins in nineteenth century Adventism until the present day the Watch Tower Society has become one of the best known but least understood new religious movements

Resisting the tendency to define the movement in terms of the negative this volume offers an empathetic account of the Jehovah s Witnesses without defending or seeking to refute their beliefs George Chryssides critically examines the historical and theological bases of the organization s teachings and practices and discusses the changes and continuities which have defined it The book provides a valuable resource for scholars of new religious movements and contemporary religion

What if we all governed the Internet? Van der Spuy, Anri, 2017-11-13 Civil Society, Religion and Global Governance Helen James, 2007-04-11 This is one of the first books to explore the nexus between civil society religion and global governance their impact on human security and well being and significance for current debates in international politics The contributors examine salient aspects of the secular state whose monopoly on and control of institutional violence has reified its use of power to such an extent that the modernistic separation of church and state is being called into question as institutional limits are sought to the abuse of that power The volume is clearly divided into six key sections human security

and human rights the politics of civil religion the ethics of civil development civil society and global governance cross cultural perspectives on institutional development for civil society international civil society Within these sections the illuminating case studies span a wide geographical extent from Central and Eastern Europe to Egypt to Latin America Iran Bangladesh Australia the Pacific and East and Southeast Asia Civil Society Religion and Global Governance will be of strong interest to students policy makers and researchers in the fields of human rights religion political science and sociology
