restitution of cultural artefacts and the UN system The result is a cohesive collection that not only explores many facets of the intersections of cultural heritage law and public international law but also examines how the regimes operate together and how the relationship between them largely facilitates but also sometimes hinders the development of international law governing the protection of cultural heritage *Legal Accountability and Britain's Wars 2000-2015* Peter Rowe, 2016-04-20

This book discusses the manner in which Britain's wars which took place between 2000 and 2015 have interacted with the relevant principles of international law and English law for the purpose primarily of considering legal accountability During a debate in the House of Lords in 2005 a former Chief of the Defence Staff commented that the Armed Forces are under legal siege The book will discuss the major legal issues which have arisen ranging from the various votes in Parliament to go to war the constitutional relationship between ministers and senior commanders the right under international law to use force the influence of human rights law the role of the courts in England including the coroners courts to the legal regime applying to the conduct of UK military operations It will assess critically whether the armed forces will now have to accept that operations conducted outside the UK are subject to greater legal scrutiny than previously and whether if this is the case it is likely to hinder their future military activities This book will be of great interest to scholars of international law the law of armed conflict military studies and international relations as well as to those with a professional or other interest in the subject matter
