Golden Triangle Maurice Leblanc:

The Golden Triangle: The Return of Arsène Lupin Maurice Leblanc, 2017-03-28 **The Golden Triangle** Maurice Leblanc, 2015-02-11 This early work by Maurice Leblanc was originally published in 1918 and we are now republishing it with a brand new introductory biography The Golden Triangle as another fantastic mystery by Leblanc featuring gentleman thief Arsène Lupin. It takes place during World War I and wounded warrior Patrice Belval is in love with his nurse Maurice Marie Leblanc was born on 11th November 1864 in Rouen Normandy France. He was a novelist and writer of short stories known primarily as the creator of the fictional gentleman thief and detective Arsène Lupin. From the start Leblanc wrote both short crime stories and longer novels and his lengthier tomes heavily influenced by writers such as Flaubert and Maupassant were critically admired but met with little commercial success. Leblanc was largely considered little more than a writer of short stories for various French periodicals when the first Arsène Lupin story appeared. It was published as a series of stories in the magazine *Je Sais Tout* starting on 15th July 1905. Clearly created at editorial request under the influence of and in reaction to the wildly successful Sherlock Holmes stories, the roguish and glamorous Lupin was a surprise success and Leblanc's fame and fortune beckoned. In total Leblanc went on to write twenty-one Lupin novels or collections of short stories. On this success he later moved to a beautiful country side retreat in the Haute Normandie region in north western France which today is a museum dedicated to the Arsène Lupin books. He died in Perpignan the capital of the Pyrénées-Orientales department in southern France on 6th November 1941 at the age of seventy-six. *The Golden Triangle* Maurice Leblanc, 2022-03-20 Captain Belval learning of a threat to his beloved nurse Little Mother Coralie rescues her from her would-be assailants and is promptly dragged into a plot involving her husband and millions of francs worth of gold. As layer upon layer of conspiracy emerges with no obvious thread to follow, there's only one man who can be counted on to uncover the truth. The Golden Triangle also known as The Return of Arsène Lupin is set a couple of years after the events of 813. It was published in 1917 in both the original French and this English translation and was the first Arsène Lupin novel penned by Maurice Leblanc since *The Crystal Stopper* in 1912. *The Golden Triangle* Maurice Leblanc, 2021-01-29 The Golden Triangle or The Return of Arsène Lupin Gentleman Burglar by Maurice Leblanc is one of the greatest masterpieces of French literature. Brilliant and sparkling, this crime novel is a stunning portrait of internal psychological processes. Lupin is an enigmatic preternatural criminal, an unstoppable thief whose planning defies any attempts at capture. This story takes place in 1915. WWI has just started and Captain Belval is recovering from his wounds under the gentle care of Mother Coralie. In an action-packed story that intermingles romance, evil plotting, international intrigue, gold smuggling, several murders, Lupin disguised as Don Luis Perenna is more forceful and more invulnerable than ever. The Golden Triangle is very entertaining and it is one of the best Lupin's adventures ever. If you enjoy a good detective story and appreciate an elegant twist, go ahead and let Lupin steal a few hours of your time. LARGE PRINT EDITION **The Golden Triangle** Maurice Leblanc, 1917 *The*
