Gone Girls, 1684-1901 Nora Gilbert,2023-06-03 In *Gone Girls 1684 1901* Nora Gilbert argues that the persistent trope of female characters running away from some iteration of home played a far more influential role in the histories of both the rise of the novel and the rise of modern feminism than previous accounts have acknowledged For as much as the eighteenth and nineteenth century British novel may have worked to establish the private middle class domestic sphere as the rightful and sole locus of female authority in the ways that prior critics have outlined it was also continually showing its readers female characters who refused to buy into such an agenda refusals which resulted strikingly often in those characters physical flights from home The steady current of female flight coursing through this body of literature serves as a powerful counterpoint to the ideals of feminine modesty and happy homemaking it was expected officially to endorse and challenges some of novel studies most accepted assumptions Just as the MeToo movement has used the tool of repeated aggregated storytelling to take a stand against contemporary rape culture *Gone Girls 1684 1901* identifies and amplifies a recurrent strand of eighteenth and nineteenth century British storytelling that served both to emphasize the prevalence of gendered injustices throughout the period and to narrativize potential ways and means for readers facing such injustices to rebel resist and get out

Seduction in Popular Culture, Psychology, and Philosophy Martins, Constantino,Damásio, Manuel,2016-08-15 Seduction is a complicated concept that is a part of the general human experience Despite the prevalence of seduction in our personal lives as well as within popular culture the concept has not been widely discussed and researched as an academic field *Seduction in Popular Culture Psychology and Philosophy* explores the concept of seduction and the many ways it can be understood either as a social and individual practice a psychological trait or a schema for manipulation Taking a cross disciplinary approach this publication features research based chapters relevant to sociologists media professionals psychologists philosophers advertising professionals researchers and graduate level students studying in related areas

Plot Engineering Hugo Raines,AI,2025-05-05 *Plot Engineering* offers a comprehensive guide to crafting compelling narratives by exploring the essential frameworks that underpin effective storytelling It unveils how understanding narrative structures such as the Hero s Journey and act structures combined with logical sequencing is crucial for creating stories that resonate The book analyzes examples from literature and performing arts illustrating how these frameworks can be tailored to various genres to build tension and engage audiences The book s unique value lies in its integrated approach blending theoretical concepts with practical applications to make complex ideas accessible It highlights intriguing facts such as the impact of logical sequencing on creating a sense of inevitability By focusing on plot construction and narrative design *Plot Engineering* provides aspiring writers playwrights and screenwriters with a skill set applicable across different mediums Structured in three parts the book begins with core concepts and narrative frameworks progressing to real world examples and advanced techniques for suspense and character development It culminates in a discussion of ethical considerations

reminding storytellers of their power and responsibility This approach ensures that readers gain a thorough understanding of plot engineering and its application in performing arts and language arts **The Screenwriter's Path** Diane

Lake,2016-10-04 The Screenwriter's Path takes a comprehensive approach to learning how to write a screenplay allowing the writer to use it as both a reference and a guide in constructing a script A tenured professor of screenwriting at Emerson College in Boston author Diane Lake has 20 years experience writing screenplays for major studios and was a co writer of the Academy award winning film Frida The book sets out a unique approach to story structure and characterization that takes writers step by step to a completed screenplay and it is full of practical advice on what to do with the finished script to get it seen by the right people By demystifying the process of writing a screenplay Lake empowers any writer to bring their vision to the screen The Neoliberal Imagination in Contemporary Literature Tammy Amiel Houser,2024-08-06 This book

examines the relationship between empathy and neoliberalism as it unfolded in the aftermath of the 2008 financial crisis and through the turbulent 2010s Via close readings of contemporary novels as well as various non fictional texts it traces the changing approaches to empathy in the post financial crisis imagination highlighting a crucial re conceptualization of empathy as a boundaryless force untethered to local or social circumstance This reconceptualization implicitly aligns empathy with the neoliberal ethos of globalism and distances it from the traditional notion of sympathy Via complex dialogue with the novelistic tradition of sympathy contemporary novelists highlight the problematics of boundaryless empathy while exploring ways to resist neoliberal views and values Analyzing engagements with empathy in post 2008 literature and culture the book sheds light on the underlying affective dynamics that enabled the persistence of neoliberalism after the 2008 financial crisis alongside efforts to challenge its dominance *Clues: A Journal of Detection, Vol. 39, No. 1 (Spring 2021)*

Feel-Bad Postfeminism Catherine McDermott,2022-06-02 In Feel Bad Postfeminism Catherine McDermott provides crucial insight into what growing up during empowerment postfeminism feels like and outlines the continuing postfeminist legacy of resilience in girlhood coming of age narratives McDermott's analysis of Gone Girl 2012 Girls 2012 2017 and Appropriate Behaviour 2012 illuminates a major cultural turn in which the pleasures of postfeminist empowerment curdle into a profound sense of rage and resentment By contrast close examination of The Hunger Games 2008 2010 Girlhood 2014 and Catch Me Daddy 2014 reveals that contemporary genres are increasingly constructing girls as uniquely capable of resiliently overcoming and adapting to unforgiving social conditions She develops an affective vocabulary to better understand contemporary modes of defiant transformative and relational resilience as well as a framework through which to expand on further modes that are specific to the genres they emerge within Overall the book suggests that exploration of the affective dimensions of girls and women's culture can offer new insights into how coming of age girlhood and femininity are culturally produced in the aftermath of postfeminism

Crime Fiction in the Caribbean Lucy Evans, 2024-09-18 Crime Fiction in the Caribbean Reframing Crime and Justice is the first academic book to focus on crime fiction by anglophone Caribbean writers It explores how contemporary writers experiment with the crime genre in order to convey contextualize and comment on crime and justice in Caribbean countries Lucy Evans reads crime fiction as a versatile mode of writing that can be politically engaged and that in a Caribbean context can expose power structures embedded in the region's multi-layered history of colonial conquest genocide of Indigenous populations plantation agriculture transatlantic slavery and indentured labour This book covers fiction set in Trinidad and Tobago Jamaica Guyana Barbados Grenada and Haiti discussing novels by Elizabeth Nunez Jacob Ross Marlon James Harischandra Khemraj Esther Figueroa Edwidge Danticat Cherie Jones and several others Evans considers how fiction by anglophone Caribbean writers not only reflects upon the social realities of crime and crime control in the Caribbean but also at times contests or complicates scholarly popular and legal perspectives She argues that through their engagement with the crime genre these writers raise pressing questions about what constitutes crime and justice in a Caribbean context and about accountability Looking beyond the traditional focus of crime fiction and criminology on individual acts of wrongdoing their fiction highlights systemic social harms rooted in the region's colonial past Reading crime fiction through the lens of criminological research Crime Fiction in the Caribbean brings the study of literary writing into scholarly debate on crime in the Caribbean At the same time it extends the global turn in crime fiction studies focusing on a region that has been sidelined even in studies which examine the genre's international dimensions

Psychoanalytic Perspectives on Women and Power in Contemporary Fiction Rossella Valdrè, 2017-07-14 Psychoanalytic Perspectives on Women and Power in Contemporary Fiction psychoanalytically examines contemporary fiction portraying the female in a reversal of the stereotyped victim role The recent popularity of powerful female characters suggests that literature is ahead in its understanding the desires fantasies and unconscious emotions of the public This book explores a form of intimacy frequently observed in consulting rooms and in life in general malicious intimacy Specific to the conjugal bond it is a type of intimacy connected to the relationship between the two halves of the couple that is extremely powerful and painful Instead of clinical cases Rossella Valdrè examines four contemporary and widely

successful novels published contemporaneously which capture perfectly this type of psychopathological universe Valdr then maps out psychoanalytic hypotheses regarding the persistency of these malicious intimacies Through analysis of these examples Valdr investigates the roots and hypotheses of a new scenario on victim executioner roles played out in the intimacy of the couple Exploring how and if the contemporary couple is undergoing profound changes she provides an overview of the various deep seated psychological mechanisms and unconscious dynamics that may be at work The book explores the need to not be dependant upon a love object as an extreme defence against abandonment or self collapse Valdr argues that such a configuration is very common and that Idealization in contemporary life is one of the reasons behind the most of sufferance in modern couples something which psychoanalysis can examine through art Women perhaps after emancipation are living overturned roles and paying a higher cost as a result Psychoanalytic Perspectives on Women and Power in Contemporary Fiction will appeal to psychoanalysts and psychoanalytic psychotherapists and be of interest to scholars and students of literature gender studies philosophy and sociology
