Good Or God Blog John Bevere Wiki:

A Skateboarder's Guide to God Andy Milne, 2023-05-09 This book explores God through the eyes of a skateboarder using stories from the world of skateboarding to explain who God is and what God is like. When a skater first learns to street skate, pop an ollie or ride a ramp, there is a buzz of excitement. It's the thrill of riding a skateboard joined with the fun of learning a new trick. There's a similar thrill when someone begins a relationship with God. Each step into faith can bring fun and joy like learning a new trick. Life's journey is a bit like skating through a town. There may be high ledges and the ideal double set, but is there a purpose for it all? Is there a God who created us? What happens at the end of our lives? By exploring core issues a skater's identity when a skate park feels so good, it's almost like heaven, the near-miraculous nature of some skate tricks, the dark side of life, and whether we worship, this book aims to help skaters and non-skaters alike take a fresh look at the God who is totally for all people who call us to come just as we are.
