**Socialist Realism in Central and Eastern European Literatures Under Stalin**

Evgeny Dobrenko, 2018-02-15 Socialist Realism in Central and Eastern European Literatures is the first published work to offer a variety of alternative perspectives on the literary and cultural Sovietization of Central and Eastern Europe after World War II and emphasize the dialogic relationship between the centre and the satellites instead of the traditional top down approach The introduction of the Soviet cultural model was not quite the smooth endeavour that it was made to look in retrospect rather it was always a work in progress often born out of a give and take with the local authorities intellectuals and interest groups Relying on archival resources the authors examine one of the most controversial attempts at a cultural unification in Europe by providing an overview with a focus on specific case studies an analysis of distinct particularities with

attention to the patterns of negotiation and adaptation that were being developed in the process *Traditional Literatures of the American Indian* Karl Kroeber, 1997-01-01 In American Indian societies storytelling and speech making are invested with special significance crafted to reveal central psychological and social values tensions and ambiguities As Karl Kroeber notes It is our scholarship not Indian storytelling that is primitive undeveloped This book is an essential introduction to the study and appreciation of American Indian oral literatures The essays by leading scholars illuminate the subtle artistry of form and content that gives spoken stories and myths an enduring vitality in native communities yet often makes them perplexing to outsiders The presentation and analysis of complete oral texts often without translations enable the reader to grasp the meaning purpose and structure of the tales and to become familiar with the techniques scholars use to translate and interpret them This expanded edition of the widely praised collection contains a recent analysis of the Wintu myth of female sexuality a revised introduction by Karl Kroeber a contribution by Dell Hymes a new translation by Dennis Tedlock and a new annotated bibliography The Literatures of Spanish America and Brazil Earl E. Fitz, 2025-09-02 Charting the twentieth century course of the literature of the Americas The second volume of Earl E Fitz's magisterial survey of the field The Literatures of Spanish America and Brazil The Twentieth Century analyzes Spanish and Portuguese language writing throughout South and Central America as well as in the United States and Canada where it expanded and flourished over the course of the century Fitz argues that Spanish American and Brazilian literatures should be treated as two sides of the same coin together forging a hemispheric identity as new literary aesthetics and political crises swept through the Americas Fitz takes readers on a comparative journey analyzing writers such as Octavio Paz and Juan Rufo from Mexico Julia de Burgos and Luis Pal's Matos from Puerto Rico Jorge Luis Borges and Victoria Ocampo from Argentina and Mrio de Andrade and Patrícia Galvão from Brazil among many others to inspire a more thoroughly integrated understanding of the literature of the Americas **Literatures of Liberalization** Regenia Gagnier, 2018-11-03 This book traces the global circulation of cultures and ideologies from the technological and democratic revolutions of the long nineteenth century to liberal and neoliberal modernity Focussing on moments of coerced colonial and postcolonial and voluntary contact rather than national boundaries the author draws attention to the global scope of literatures and geopolitical commodities as actants in world affairs as in processes of liberalization democratization and trade but also to the distinctiveness of each local environment at its moments of transculturation Based in extensive experience in collaborative multilingual interdisciplinary networks the book synthesizes existing theoretical scholarship provides original case studies of world historical Victorian and modern writers and articulates a new interdisciplinary methodology for literary studies in a global context It will be of interest to Victorianists modernists comparatists political theorists translators and scholars of world literatures world ecology and globalization The American Journal of Semitic Languages and Literatures , 1909
