"I'm, Like, SO Fat!" Dianne Neumark-Sztainer, 2011-12-08 It's hard to decide which is more frightening the food teenagers enjoy or the things they say about their bodies Whether it's your son's passion for chips and soda or your daughter's announcement that she feels fat kids' attitude about how they look and what they should eat often seem devoid of common sense In a world where television and school cafeterias push super sized sandwiches while magazines feature pencil thin models many teens feel pressured to starve themselves and others eat way too much Blending her experience as the mother of four with results from a survey of nearly 5 000 teens Dr Diane Neumark Sztainer shows you how to respond constructively to fat talk counteract negative media messages and give your kids the straight story about nutrition and calories the dangers of dieting and eating right when they're away from home Full of examples illustrating the challenges teens face today this upbeat and insightful book is packed with great ideas that will help kids everywhere feel better about their looks and make healthier choices about eating and exercise

Give a Girl a Knife Amy Thielen, 2018-06-05 A beautifully written food memoir chronicling one woman s journey from her rural Midwestern hometown to the intoxicating world of New York City fine dining and back again in search of her culinary roots Before Amy Thielen frantically plated rings of truffled potatoes in some of New York City s finest kitchens for chefs David Bouley Daniel Boulud and Jean Georges Vongerichten she grew up in a northern Minnesota town home to the nation s largest French fry factory the headwaters of the fast food nation with a mother whose generous cooking dripped with tenderness drama and an overabundance of butter Inspired by her grandmother s tales of cooking in the family farmhouse Thielen moves north with her artist husband to a rustic off the grid cabin deep in the woods There standing at the stove three times a day she finds the

seed of a growing food obsession that leads her to the sensory madhouse of New York's top haute cuisine brigades But like a magnet the foods of her youth draw her back home where she comes face to face with her past and a curious truth that beneath every foie gras sauce lies a rural foundation of potatoes and onions Amy Thielen's coming of age story pulses with energy a cook's eye for intimate detail and a dose of dry Midwestern humor Give a Girl a Knife offers a fresh vivid view into New York's high end restaurants before returning Thielen to her roots where she realizes that the marrow running through her bones is not demi glace but gravy thick with nostalgia and hard to resist *She's Got a Way* Maggie McGinnis,2016-08-30
