MATCHBOOK go to www.usgovpub.com to learn more Why buy a book you can download for free We print this book so you
don't have to First you gotta find a good clean legible copy and make sure it's the latest version not always easy Some
documents found on the web are missing some pages or the image quality is so poor they are difficult to read We look over
each document carefully and replace poor quality images by going back to the original source document We proof each
document to make sure it's all there including all changes If you find a good copy you could print it using a network printer
you share with 100 other people typically it's either out of paper or toner If it's just a 10 page document no problem but if it's
250 pages you will need to punch 3 holes in all those pages and put it in a 3 ring binder Takes at least an hour It's much
more cost effective to just order the latest version from Amazon.com This book includes original commentary which is
copyright material Note that government documents are in the public domain We print these large documents as a service so
you don't have to The books are compact tightly bound full size 8 1/2 by 11 inches with large text and glossy covers 4th
