The Makings of a Project Queen Denisha "Coco" Blossom, 2023-05-05 The broken pieces of a Black woman Shattered by the neglect of a Black man It's too much pressure to save her So he turns his head Acting as if he don't see her pain While all she needed was his hand In her debut poetic memoir The Makings of a Project Queen Blossom relives a path of self discovery empowerment and healing as she shines a light on key issues impacting inner city Black girls today She uses a collection of poems and short behind the scenes stories to take others on an inspirational journey of a hood scholar who forged her own path as a community based educator and scholar activist Through the book she emerges as a Project Queen Growing up in South Sacramento Denisha Coco Blossom had to navigate gang territories drugs poverty hustle and power plays She survived immense heartbreak broken relationships body shaming and hopelessness At a young age she internalized the notion that as an impoverished fat Black girl her choices in life were limited Despite these adversities through engagement with poetry education street literacy and faith she exceeded all of the low expectations especially those that

came from her teachers Instead of succumbing to her circumstances she grew into a Queen She lifted her head reclaimed her crown and became the author of her own life The makings of a Project Queen is a powerful story that will encourage women and girls everywhere to fix their crown walk in their queendom and embark on their own journey to self discovery and fulfilling their greatest life purpose Feature Extraction and Image Processing for Computer Vision Mark Nixon,Alberto Aguado,2025-09-22 Feature Extraction and Image Processing for Computer Vision Fifth Edition is an essential guide to the implementation of image processing and computer vision techniques with tutorial introductions and sample code in MATLAB and Python Algorithms are presented and fully explained to enable complete understanding of the methods and techniques demonstrated providing a link between theory and implementation Essential background theory is carefully explained This text gives students and researchers in image processing and computer vision a complete introduction to classic and state of the art methods in feature extraction together with practical guidance on their implementation Concentrates on feature extraction with working implementation and worked through mathematical derivations and algorithmic methods Provides a thorough overview of available feature extraction methods including essential background theory shape methods texture and deep learning Includes up to date coverage of interest point detection feature extraction and description and image representation including frequency domain and color Includes a good balance between providing a mathematical background and practical implementation **The Theosophist** ,1909 *3 Steps to Vision Manifestation: Creating the Vision You Have Imagined* LaVonne Stagg Hunter,2018-07-26 3 Steps to Vision Manifestation is a tool designed to help leaders business owners ministers and visionaries put their vision to paper and then make a plan to achieve that vision If you are a leader you need this resource If you are creating a community program ministry or business you need this resource Use this book as a guide to create the vision you have imagined It is inside of you Let s pull it out today And remember You create your own habitation The Italian Journals Dean D' Adamo,Peter Greco,2012-01-31 Can two guys enjoy a trip to Italy with their wives and still like each other at the end That s not a rhetorical question we d really like to know because we couldn t pull it off When one of your traveling companions is Dean Dino DAdamo and the rest are human beings you get one part vacation and one part failed sociology experiment The Italian Journals Where to Go What to Eat and Who to Leave at Home is a unique and hilarious take on the classic vacation to Rome Florence and Venice Youll actually read two separate accounts of the same trip and at times ask yourself if it actually was the same trip We ask ourselves the same question and we were there Sure youll get some excellent tips on things to do and see in Italy but lets face it you can get that anywhere What weve added is all of the eye rolling head shaking muffled grunting frustration and aggravation that make a vacation truly memorable Best Minds Stevan M. Weine,2023-03-28 WINNER 2024 BEAT STUDIES ASSOCIATION AWARDS A revelatory look at how poet Allen Ginsberg transformed experiences of mental illness and madness into some of the most powerful and widely read poems of the twentieth century Allen Ginsberg s 1956 poem Howl opens with one of the most resonant phrases in modern

poetry I saw the best minds of my generation destroyed by madness Thirty years later Ginsberg entrusted a Columbia University medical student with materials not shared with anyone else including psychiatric records that documented how he and his mother Naomi Ginsberg struggled with mental illness In Best Minds psychiatrist researcher and scholar Stevan M. Weiner, M.D. who was that medical student examines how Allen Ginsberg took his visions and psychiatric hospitalization his mother's devastating illness confinement and lobotomy and the social upheavals of the postwar world and imaginatively transformed them Though madness is often linked with hardship and suffering Ginsberg's showed how it could also lead to profound and redemptive aesthetic spiritual and social changes Through his revolutionary poetry and social advocacy Ginsberg dedicated himself to leading others toward new ways of being human and easing pain Throughout his celebrated career Ginsberg made us feel as though we knew everything there was to know about him However much has been left out about his experiences growing up with a mentally ill mother his visions and his psychiatric hospitalization In Best Minds with a forty year career studying and addressing trauma Weiner provides a groundbreaking exploration of the poet and his creative process especially in relation to madness Best Minds examines the complex relationships between mental illness psychiatry trauma poetry and prophecy using the access Ginsberg generously shared to offer new lively and indispensable insights into an American icon Weiner also provides new understandings of the paternalism treatment failures ethical lapses and limitations of American psychiatry in the 1940s and 1950s In light of these new discoveries the challenges Ginsberg faced appear starker and his achievements both as a poet and an advocate even more remarkable
