Good Or God? John Bevere, 2015-08-11 These days the terms good and God seem synonymous We believe what s generally accepted as good must be in line with God s will Generosity humility justice good Selfishness arrogance cruelty evil The distinction seems pretty straightforward But is that all there is to it If good is so obvious why does the Bible say that we need discernment to recognize it Good or God isn t another self help message This book will do more than ask you to change your behavior It will empower you to engage with God on a level that will change every aspect of your life **God is Good**

training This book may also be of interest to national and international policy makers There are also numerous faith based organisations as well as other non governmental organisations NGOs working on religion and education issues that may find these case studies a useful resource
