Throckmorton Jr., 2015-07-19 Burton Throckmorton Junior s Gospel Parallels is a peek into an unknown world for every reader Most of us can only dream of poring over an ancient codex finding and decoding an ancient scrap of papyrus or gently easing through pages of vellum which contain the secrets of the known world This book means that we can retain those dreams but not let them impede us in our search for knowledge The Gospel Parallels are able to give the theologian and the general reader a view on the earliest translations of the first 3 gospels as well as a pertinent overview of non canonical figures and pieces of work This allows the book to feel truly historically situated and gives access to a unique level of contextual information This is a guide to the most contemporary writers who wrote about Jesus as a very personal figure who spoke taught and walked the earth and as such have their own perspectives sometimes demonstrated by small literary changes The emphasis can be seen completely transforming through tactical additions and exclusions The reader can see before their eyes how Matthew was a dominant influence on Mark s Gospel while Luke was in turn influenced by Mark in his telling The reader will be able to see where the fathers of the Christian Church chose to edit one another and vicariously join in with their theological bickering on the page The layout of this book is particularly easy to use for the theological student allowing quick comparisons and contrasts to be made About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *History and Literature of Early Christianity* Helmut Koester, 2019-09-23 No detailed description available for History and Literature of Early Christianity

HCSB Harmony of the Gospels Kendell H. Easley,Steven L. Cox,2006-10 Gospel harmonies were inevitable One of the first impulses of someone studying a teaching or an event in Jesus life is to seek as many perspectives on that event as possible Around AD 160 Tatian compiled a single narrative of the four Gospels reducing the number of verses from 3 780 four separate Gospels to 2 769 verses without excluding any event or teaching from the life of Jesus This Holman Christian Standard Harmony of the Gospels builds on a tradition of harmonization begun in the 19TH century by John A Broadus and continued by his protege A T Robertson The HCSB Harmony contains the full text of the each of the four Gospels in the Holman Christian Standard Bible The Harmony contains interpretive and clarifying notes by a number of scholars some with differing views on the relationship between various Gospel accounts Beyond the Harmony this volume includes articles designed to address issues that arise when one compares the four Gospels and seeks to give an integrated account of the life and teachings of Jesus The HCSB Harmony is unique in that it contains eight four color maps that illuminate the life and ministry of Jesus This resource will be valuable to pastors lay Bible teachers and will serve well as a primary textbook in college and seminary courses on the Gospels and on the Life and Teachings of Jesus Book jacket
