Guitar Rigs Classic Guitar And Amp Combinations:

Guitar Rigs ,2005-04 Book The sound of rock blues country and jazz is not just the sound of electric guitars It s the sound of electric guitars through amplifiers For the first time Guitar Rigs examines the great guitar amp combinations that have created more than 50 years of fantastic music Each section includes a full history of guitar and amps and details the construction components performance qualities and drawbacks of each combination Guitar Rigs is not just a celebration of the collectable treasures of the guitar and amp world Along the way it evaluates many more instruments amps and effects offering alternatives for those trying to conjure great sounds from less exalted equipment And it comes with a CD that demonstrates these and many more combinations so you hear them for yourself **The Guitar Amp Handbook** Dave

Hunter,2005-10 Book There s a huge amount of hype and mythology surrounding tube amplifiers in the guitar world For years experts have argued over the tiny details of exactly how they do what they do and how their various components interact What s undeniable is that far more than being just a loudness booster the unique combination of tubes capacitors resistors and transformers in these amps can contribute enormously to the quality of sound derived from any electric guitar In this thorough and authoritative book Dave Hunter cuts through the marketing hyperbole and the blind faith and supplies all the information you need to choose the right amp and get the best from it The book also features exclusively conducted in depth interviews with leading figures in the tube amp building world including Ken Fischer Mark Sampson and Michael Zaitz and even provides full instructions on how to construct your own high quality tube guitar amp from scratch **Hendrix**
