Gun Violence And Public Life:

Gun Violence and Public Life Ben Agger, Timothy W. Luke, 2015-11-17 Schools theatres and malls used to be safe havens Marathons were triumphal not tragic Today public life is risky Citizens are on edge either calling for gun control or purchasing personal weapons of self defense In this timely book prominent US and international authors examine gun violence in public life They offer the latest data and analysis on topics such as comparative gun homicide rates the efficacy of gun control risks associated with gun ownership concealed carry data and policy media and gaming violence gender and guns and school shootings New insights are developed from a comparative case study of Canada a country in which gun ownership is common but with a much lower rate of gun violence Neither demonising nor mythologising guns the contributors provide evidence based analyses that shed light on policy directions and personal conduct

Gun Violence and Public Life Ben Agger, 2014 Schools theaters and malls used to be safe havens Marathons were triumphal not tragic Today public life is risky Citizens are on edge either calling for gun control or purchasing personal weapons of self defense In this timely book prominent US and international authors examine gun violence in public life They offer the latest data and analysis on topics such as comparative gun homicide rates the efficacy of gun control risks associated with gun ownership concealed carry data and policy media and gaming violence gender and guns and school shootings New insights are developed from a comparative case study of Canada a country in which gun ownership is common but with a much lower rate of gun violence Neither demonizing nor mythologizing guns the contributors provide evidence based analyses that shed light on policy directions and personal conduct

Gun Violence and Public Life Ben Agger, Timothy W. Luke, 2015-11-17 Schools theatres and malls used to be safe havens Marathons were triumphal not tragic Today public life is risky Citizens are on edge either calling for gun control or purchasing personal weapons of self defense In this timely book prominent US and international authors examine gun violence in public life They offer the latest data and analysis on topics such as comparative gun homicide rates the efficacy of gun control risks associated with gun ownership concealed carry data and policy media and gaming violence gender and guns and school shootings New insights are developed from a comparative case study of Canada a country in which gun ownership is common but with a much lower rate of gun violence Neither demonising nor mythologising guns the contributors provide evidence based analyses that shed light on policy directions and personal conduct

The Lives of Guns Jonathan Obert, Andrew Poe, Austin Sarat, 2018-09-03 Guns have never been as prevalent in American culture as they are at this moment Most contemporary conversations on guns either highlight the gun as just a tool used in mass killings or a right to be fiercely defended eventually whatever progress these debates foster in the public conversation tend to halt altogether once the old cliché guns don't kill people people kill people is trotted out These gun control and gun violence discussions take the gun as passive object ignoring the changing effects and the very agency that guns may deploy as politicized objects What happens if we reset the conversation and admit that guns and not the people

behind them kill people The Lives of Guns offers a new and compelling way of thinking about the role of the gun in our social and political lives In gathering ideas from law science studies sociology and politics each chapter turns the stale standard gun conversations around by investigating the gun as an object with agency In approaching guns from a technological perspective down to the very science of how they are created and how they fire The Lives of Guns takes up a number of questions such as How does the presence of these objects shape civic ideology What does it mean to develop and care for gun and gun accessories technology What do guns mean to those who build them versus those who fight for and against them What could happen when drone technology meets gun technology In bringing together fresh perspectives from leading lawyers political scientists and historians The Lives of Guns promises to move the gun debate forward by opening up new ways of thinking about these issues and broadening the scope of these perennial debates

Public Journalism and Public Life Davis "Buzz" Merritt, 2013-10-18 The original edition of *Public Journalism and Public Life* published in 1995 was the first comprehensive argument in favor of public journalism Designed to focus the discussion about public journalism both within and outside the profession the book has accomplished its purpose In the ensuing years the debate has continued dozens of newspapers and thousands of journalists have been experimenting with the philosophy while others still dispute its legitimacy This larger second edition further develops the philosophy responds to the arguments against it outlines how specific principles can be applied and explains the importance of public deliberation and the role of values in public journalism Divided into three sections it can be used as a supplement to the first edition or as a starting point for those being newly introduced to the ideas that have been the subject of debate within the profession and among those interested and involved in civic life at all levels Section 1 summarizes two major arguments why journalism and public life are inseparably bound in success or failure and why the way journalism operates in the current environment fosters failure more often than success Section 2 looks at the evolution of the profession s culture its impact on the author s extensive career and how he grew to believe that substantive change is needed in journalism Section 3 deals with the implications of public journalism philosophy how it requires the application of additional values to daily work its evolution in the early years and where its current focus should be plus various questions about the future of cyberspace

The Holy Spirit and Public Life Mark J. Cartledge, 2022-04-04 The *Holy Spirit and Public Life* offers a masterful analysis of the intersections between pneumatology and public theology as well as contemporary Christianity and secular society Examining issues from race to domestic violence with compassion as well as critical rigour Mark J Cartledge one of the UK s leading authorities on the Pentecostal Charismatic Movement skilfully anchors his argument in both the biblical text and insight and empirical data from the contemporary world His deep appreciation of the many ways in which the Christian faith inspires and empowers transformative social engagement will motivate and mould the rising commitment among Pentecostals and Charismatics to live the gospel in the public square in the power of the Spirit Finally Cartledge proposes that the church engage with society

by being truthful with love This posture provides the integrating center for the life of the church and its mission in the world

Urban Public Spaces, Events, and Gun Violence Melvin Delgado, 2024-09-09 This book offers a new vision on urban gun violence that focuses on public space centered concepts events and research It builds on our existing knowledge base by viewing a slice of this problem through celebratory and solemn occasions and how violence at these events and spaces reflects on the state of urban gun violence Understanding this context serves to inform us on how best to address this social phenomenon Gun violence in the United States is a salient national problem with virtually no day that goes by without it occurring particularly in urban public spaces making it a significant social event This book uniquely presents an urban and event focused context for gun violence It also draws attention to marginalized urban communities merging urban public spaces events intersectionality social justice and gun violence introducing a unique window to better comprehend this violence as a national issue and bringing profound consequences when it transpires in a public event To examine the context of public spaces and events in gun violence the author organized the book's ten chapters in three sections Part I Conceptual Foundation sets the foundation for a multifaceted perspective Part II Celebratory and Solemn Events expands the gun violence arena Part III Implications for Research Education and Practice Urban Public Spaces Events and Gun Violence Block Parties Funerals Mother's Day and Other Community Events expands the context of gun violence beyond the street scene to include public settings and events and helps in achieving a comprehensive understanding of this public health problem and how best to solve it The book is essential reading for practitioners academics and researchers in public health social work criminal justice and community practice

Urban Futures Tim Hall, Malcolm Miles, 2004-11-23 Urban Futures brings together commentaries from a wide range of contemporary disciplines and fields relevant to urban culture form and society The book concerns cities in the broadest sense not just as buildings and spaces but also as processes and events or sites of occupation in which meanings are constructed in many ways The contributors draw on their specialist areas of research to inform current debate but they also speculate as to how cities will be shaped in the 21st century Specific areas of research include homeless people's organisations and restoration ecology in brownfield sites in the USA post industrial urban landscapes post industrial economics tourism and cultural planning The book allows each writer to state their own conclusions but together they suggest that tomorrow's cities will while remaining locations of difference and contestation be rapidly evolving systems in which dwellers assume increasing responsibilities and power

Religion in Public and Private Life (Routledge Revivals) Clarke E. Cochran, 2014-06-27 Religious crosses the spheres of both the private life and the public institution In a liberal democracy public and private interests and goals prove to be inseparable Clarke Cochran's interdisciplinary study brings political theory and the sociology of religion together in a fresh interpretation of liberal culture First published in 1990 this analysis begins with a reassessment of the nature of the public and the private in relation to the political The controversy over religion and politics is examined in light of such contested issues of political life as sexuality

abortion and the changing nature of the family Clarifying a number of debates central to contemporary society this timely reissue will be of particular value to students with an interest in the relationship between religious society and politics

The Impact of Guns on Women's Lives ,2005 Presents an intergovernmental report on various types of gun violence against women including case studies Includes suggested remedies and information on pending treaties

Eye Micaela Martegani, Jeff Kasper, Emma Drew, 2020-01-03 More Art in the Public Eye offers critical insight into the ever growing field of socially engaged public art by demonstrating how the committed collaboration of artists community members and cultural producers can meaningfully impact our collective futures Presented through the lens of More Art s fifteen year history the public art projects featured in this book expose issues of systemic inequality and injustice stoke debate and inspire alternatives Artists and participants reflect on their works in newly conducted interviews while essays from thinkers and actors in the field help situate the projects and the mission of socially engaged art in terms of greater cultural and political paradigms More Art in the Public Eye establishes the framework for the conditions under which organizations like More Art operate highlights the many meta questions behind socially engaged public art and seeks to amplify the wide array of voices that make up a project Contributors Rebecca Amato Michael Birchall Ofri Cnaani Michelle Coffey Jennifer Dalton Emma Drew Pablo Helguera Mary Jane Jacob Jessica Lynne Jeff Kasper Kimsooja Micaela Martegani Andrea Mastrovito Tony Oursler William Powhida Ernesto Pujol Michael Rakowitz Kirk Savage Dread Scott Andres Serrano Gregory Sholette Xaviera Simmons Krzysztof Wodiczko *Congressional Record* United States. Congress, 2002 Lethal Intersections Patricia Hill Collins, 2023-10-09 School shootings police misconduct and sexual assault where people are injured and die dominate the news What are the connections between such incidents of violence and extreme harm In this new book world renowned sociologist Patricia Hill Collins explores how violence differentially affects people according to their class sexuality nationality and ethnicity These invisible workings of overlapping power relations give rise to what she terms lethal

intersections where multiple forms of oppression converge to catalyze a set of violent practices that fall more heavily on particular groups Drawing on a rich tapestry of cases Collins challenges readers to reflect on what counts as violence today and what can be done about it Resisting violence offers a common thread that weaves together disparate antiviolen­ce projects across the world When parents of murdered children organize against gun violence when Black citizens march against the excessive use of police force in their neighborhoods and when women and girls report sexual abuse by employers coaches and community leaders the ideas and actions of ordinary people lay a foundation for new ways of thinking about and combating violence Through its ground breaking analysis Lethal Intersections aims to stimulate debate about violence as one of the most pressing social problems of our times Also available as an audiobook

Democratic Education in an Armed Society Samantha Deane, 2023-11-21 Democratic Education in an Armed Society Learning to Live with Guns examines the points of intersection between school gun violence and democratic education Samantha Deane explores the connection between how we teach children to think of themselves as democratic actors and the unceasing plague of gun violence Juxtaposing two images of political agency Deane connects an essentialized view of humans as masters of themselves objects and history with discourses that aim to train individuals to be autonomous and rational users of objects like guns This liberal view gives us no way to think about how objects narratives and norms contour the selves we claim to be Deane suggests that we must learn to attend to the ways in which our ability to act in the world is shared and distributed In a society shot through with guns and enamored with individualism the future of associational life depends on whether we learn to do democracy with the objects we hold dear

True Stories of Crime in Modern Mexico Robert Buffington, Pablo Piccato, 2009-01-16 This edited volume focuses on Mexico's social and cultural history through the lens of celebrated cases of social deviance from the late nineteenth and early twentieth centuries

Public Papers of the Presidents of the United States United States. President, 2018 Containing the public messages speeches and statements of the President 1956 1992
