Kipling, 1899 The Bourgeois Gentleman Molière, 2001 Classic satire one of the best by France's greatest comedic playwright pokes fun at the sham and hypocrisy of 17th century French society A wealthy tradesman Monsieur Jourdain yearns to become a gentleman in order to win the hand of a marchioness disregarding the inconvenient fact that he is already married but only succeeds in making a fool of himself *Resonances of the Raj* Nalini Ghuman, 2014-05-15 During the century of British rule of the Indian subcontinent known as the British Raj the rulers felt the significant influence of their exotic subjects *Resonances of the Raj* examines the ramifications of the intertwined and overlapping histories of Britain and India on English music in the last fifty years of the colonial encounter and traces the effects of the Raj on the English musical imagination Conventional narratives depict a one way influence of Britain on India with the discovery of Indian classical music occurring only in the post colonial era Drawing on new archival sources and approaches in cultural studies author Nalini Ghuman shows that on the contrary England was both deeply aware of and heavily influenced by India musically during the Indian British colonial encounter Case studies of representative figures including composers Edward Elgar and

Gustav Holst and Maud MacCarthy an ethnomusicologist and performer of the era integrate music directly into the cultural history of the British Raj Ghuman thus reveals unexpected minglings of peoples musics and ideas that raise questions about Englishness the nature of Empire and the fixedness of identity Richly illustrated with analytical music examples and archival photographs and documents many of which appear here in print for the first time Resonances of the Raj brings fresh hearings to both familiar and little known musics of the time and reveals a rich and complex history of cross cultural musical imaginings which leads to a reappraisal of the accepted historiographies of both British musical culture and of Indo Western fusion

Edgar Wallace Neil Clark, 2014-10-27 It is impossible not to be thrilled by Edgar Wallace So said the blurbs of Wallace s own books Indeed he was a prolific author of over 170 books translated into more than thirty languages More films were made from his books than any other twentieth century writer and in the 1920s a quarter of all books read in England were written by him His success is written in black and white but his life got off to an inauspicious start Edgar Wallace the illegitimate son of a travelling actress rose from poverty in Victorian England to become the most popular author in the world and a global celebrity of his age Famous for his thrillers with their fantastic plots in many ways Wallace did not write his most exciting story he lived it and here Neil Clark eloquently tells his tale to allow you to live it too

Seeing Things as They Are Duncan Reyburn, 2017-08-31 The jovial journalist philosopher and theologian G K Chesterton felt that the world was almost always in permanent danger of being misjudged or even overlooked and so the pursuit of understanding insight and awareness was his perpetual preoccupation Being sensitive to the boundaries and possibilities of perception he believed that it really was possible albeit in a limited way to see things as they are Duncan Reyburn marrying Chesterton s unique perspective with the discipline of philosophical hermeneutics aims to outline what Chesterton can teach us about reading interpreting and participating in the drama of meaning as it unfolds before us in words and in the world Chesterton s unique interpretive approach seems to be the implicit fascination of all Chesterton scholarship to date and yet this book is the first to comprehensively focus on the issue By taking Chesterton back to his philosophical roots via his marginalia his approach to literary criticism his Platonist Thomist metaphysics and his Roman Catholic theology Reyburn explicitly and compellingly tackles the philosophical assumptions and goals that underpin his unique posture towards reality
