Altsheler, 2012 The Civil War Series Volumes 1-2 (the Guns of Bull Run/Shiloh) Joseph Alexander Altsheler, 2013-07-13 A shudder shook him now A rope was the fate for a spy But he recovered himself and walked on faster than ever The cabins thinned away and he saw before him bushes His keen hearing brought to him the soft sound of the pursuing footsteps Now he took his resolution There were few games at which two could not play He passed between two bushes came around and returned to the open But he returned with one of the pistols cocked and levelled his finger on the trigger Shepard pursuing swiftly walked almost against the muzzle and Harry laughed softly Well Mr Shepard he said you've followed me well but as I've no mind to be hung for a spy or anything else I must ask you to go back You have the advantage at present it is true said Shepard but what makes you think I was going to shoot at you or have you seized Isn't it what one would naturally expect Yes perhaps But I could have given the alarm while you were still in the city I speak the truth when I say I do not know just what I had in mind But at all events the tables are turned You hold me at the pistol's muzzle and I admit it He smiled and the boy could not keep from liking him Mr Shepard said Harry what you told me at Montgomery was true We of the South did not realize the numbers power and spirit of the North I know now the truth of what you told me but on the other hand you of the North do not realize the fire courage and devotion of the South I understand it but I'm afraid that not many of our people do so Suppose we call it quits once more Let this be Montgomery over again You do not want to shoot me here any more than I wanted to shoot you down there I admit that also said Harry Then you are safe from me if I'm safe from you Agreed said Harry as he lowered the weapon Good bye said Shepard Good bye But they did not offer to shake hands Each turned his back on the other and when Harry stopped in the bushes he saw only the dim outlines of Washington At midnight he found a colored man who for pay rowed him across the Potomac At dawn he found his horse peacefully grazing in the meadow and at the next dawn he was once more within the southern lines The Civil War Joseph A. Altsheler, 2012-12-29 THE GUNS OF BULL RUN THE GUNS OF SHILOH are the first and second novels of a series of eight published under the heading THE CIVIL WAR in four volumes The two principal characters are cousins Harry Kenton a lad who fights on the Southern side and Dick Mason who fights on the Northern side The stories follow their lives throughout the campaigns and battles of the American Civil War between the Northern and Southern states Harry glanced at him He was conscious of a certain cold tenacity in Dick's voice He felt that a veil of antagonism had suddenly been drawn between these two who were the sons of sisters and who had been close comrades all their lives His heart swelled suddenly As if by inspiration he saw ahead long and terrible years The series begins with the First Bull Run and ends at Appomattox with each story focusing on different perspectives as seen by the two sides
