L'enfance du Christ, Op 25. in Full Score Hector Berlioz, 1999-01-01 Unlike much of Berlioz music this meditation on the childhood of Christ is restrained lyrical and delicate The three part work is scored for seven solo voices chorus and orchestra combining dramatic action and theatricality with philosophical reflection and moments of serene contemplation The singing text appears in French and German **St. Matthew Passion in Full Score** Johann Sebastian Bach, 2013-06-10 Great choral masterpiece long considered the noblest most inspired musical treatment of the crucifixion of Christ Reprinted from the definitive Breitkopf & Härtel edition **Follies, Orchestrations by Jonathan Tunick, Part 2** Stephen Sondheim, Jonathan Tunick, This edition presents Jonathan Tunick's orchestrations of Stephen Sondheim's musical Follies in full score Follies is set in 1971 the year of its creation at a reunion of the fictional Weismann Follies on the eve of their theater's destruction This scenario gives Sondheim who wrote both music and lyrics the opportunity to create what amounts to two interlocking scores One explores the thoughts and interactions of the guests the music often revealing the lies behind their words The other recalling the Follies performances of decades earlier allows Sondheim to evoke the words and music of Irving Berlin Cole Porter and many other popular songwriters from the interwar period The show culminates in a series of fantasy production numbers that unite past and present displaying each of the four principals in his or her own folly using materials evocative of the past to suggest the pain behind popular entertainment and the dangers of nostalgia Publishing the music in full score a rarity for musicals allows a full appreciation of both its detail and Jonathan Tunick's orchestrations This edition is published by permission of Round Hill Carlin previously Carlin America Inc [Complete piano transcriptions from Wagner's operas](#) Franz Liszt, Charles Suttoni, 1981-09-01 Liszt's reputation as the supreme pianist of the 19th century often
