

The background of the slide is a photograph of a desk. On the left, a portion of a desk lamp with a warm-toned shade is visible. In the center and foreground, there are several books and papers. One book with a gold-colored cover is prominent in the middle ground. In the foreground, there are some papers or thin books, one of which has a dark, possibly black, cover. The overall lighting is soft and warm, creating a scholarly or literary atmosphere.

Sammons, 2009 The twenty volume edition of The German Classics Masterpieces of German Literature Translated into English was edited by Kuno Francke of Harvard 1855 1930 the most prestigious professor of German in America at the time While it bears the imprint dates 1913 and 1914 it was not completed until mid 1915 just in time for the submarine sinking of the passenger liner Lusitania in May of that year The edition was publicized with great fanfare and was well received at first but with the outbreak of the European war in 1914 and the entry of the United States into it in 1917 American sentiment turned against all things German The reviews became hostile the edition was nearly pulped its publisher went bankrupt and Francke felt obliged to resign his Harvard professorship Kuno Francke's Edition of The German Classics 1913 15 describes the origins of the edition recounts the careers of the editors and some fifty professional contributors seeks to identify approximately 115 translators and comments on the nearly 500 illustrations mostly German art of the nineteenth century This book also introduces the selections from the 114 featured authors almost a third of whom were still alive at the time of publication and evaluates the critical commentary The edition emerges from the study as a laboratory of the high prestige of German literature and culture in the United States before it fell into permanent decline at the time of World War I **The United States Catalog**, 1921 Oxford University Press Oxford University Press, 1924 *The Lyrical Poems of Hugo Von Hofmannsthal* Hugo von Hofmannsthal, 1918 **The Lyrical Poems of Hugo Von Hofmannsthal** Hugo Von Hofmannsthal, Charles Wharton Stork, 2017-11-28 Trieste Publishing

has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries,1979 **Catullus in Twentieth-Century Music**

Stephanie Oade,2024-08-24 One of the most famous voices to have survived from the Roman world Catullus s poetry is still amongst the most popular and widely read But what is it that makes this 2 000 year old voice so relevant so personal and so endlessly fascinating Reinvigorating discussions around the nature of Catullus s lyricism Catullus in Twentieth Century Music takes a completely new approach to Catullus and ideas of lyric It centres around four musical works from the twentieth century each one capturing the essence of Catullus in musical retellings and showcasing a very personal response to the original text Considering how and why these musical composers used Catullus s poetry as their stimulus allows us to uncover new ideas about Catullus s poetry By considering the very process of reception Stephanie Oade takes a broader view of lyric identifying traits and characteristics that are common to both music and poetry thus transcending the boundaries of individual art forms in order to consider the genre in larger interdisciplinary terms It offers insights into compositional processes and challenges audiences to think about ways of engaging with music and poetry More than anything it shows how ancient voices continue to resound in modernity and offer everlasting expression for our own experiences and emotions

HOFMANNSTHAL,2018 *A Companion to the Works of Hugo Von Hofmannsthal* Thomas A. Kovach,2002 The Viennese poet dramatist and prose writer Hugo von Hofmannsthal 1874 1929 was among the most celebrated men of letters

in the German language at the turn of the 19th to the 20th century His early poems established his reputation as the child prodigy of German letters and a few remain among the most anthologized in the German language His early lyric dramas prompted no less a judge than T S Eliot to pronounce him along with Yeats and Claudel one of the three European writers who had done the most to revive verse drama in modern times His critical essays attest to the subtle powers of discrimination that marked him as one of the most discerning literary critics of the day And yet he underwent a crisis of cognition and language around 1900 and from then on turned away from poetry and lyric drama almost entirely concentrating instead on more public forms of drama such as the libretti for Richard Strauss s operas the plays written for the Salzburg Festival of which he was a co founder and on discursive and narrative prose The body of work that Hofmannsthal left behind at his premature death is matched in its variety breadth and quality by that of only a handful of German writers And yet posterity has not been kind to his reputation those who admired the early work for its aesthetic refinement disdained his turn to more popular forms whereas many of those who might have been receptive to the more committed and public stance of his later work were put off by his conservative politics This volume of new essays by top Hofmannsthal scholars re examines his extraordinarily rich and complex body of work assessing his stature in German and world literature in the new century Contributors Katherine Arens Judith Beniston Benjamin Bennett Nina Berman Joanna Bottenberg Douglas A Joyce Thomas A Kovach Ellen Ritter Hinrich C Seeba Andreas Thomasberger W Edgar Yates Professor Thomas Kovach is Head of the Department of German Studies at the University of Arizona

Lyrical Poems Hofmannsthal Classic Reprint Introduction

In today's digital age, the availability of Lyrical Poems Hofmannsthal Classic Reprint books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lyrical Poems Hofmannsthal Classic Reprint books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lyrical Poems Hofmannsthal Classic Reprint books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lyrical Poems Hofmannsthal Classic Reprint versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lyrical Poems Hofmannsthal Classic Reprint books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lyrical Poems Hofmannsthal Classic Reprint books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lyrical Poems Hofmannsthal Classic Reprint books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lyrical Poems Hofmannsthal Classic Reprint books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lyrical Poems Hofmannsthal Classic Reprint books and manuals for download and embark on your journey of knowledge?
