**Granny Square Flowers** Margaret Hubert, 2013-11-01 The beloved granny square is the crocheter's foundation for countless projects and is adored for its portability, versatility, and endless variety. With *The Granny Square Book*, Margaret Hubert showed how the humble granny makes the transition from tried and true blankets to all kinds of fashionable garments and accessories. Now in *Granny Square Flowers*, Margaret presents 50 all-new granny squares with a botanical theme, then using beautiful yarns and her keen design sense, she broadens their usefulness to making 15 new projects that will have you saying, "Wow, I didn't know I could make that with granny squares." Each granny square is presented in a large full-color photo accompanied by both written and diagrammed instructions. All sample squares are crocheted in bright colors of smooth cotton yarn to clearly show the stitch patterns. Projects using the floral granny squares include clothing for babies, children, and adults; fashion accessories; home decor items; and gifts. These projects use a wide variety of yarn types, fiber content, and weights, both LYS brands and big box brands, to demonstrate the versatility of granny squares. All yarn descriptions are included in generic terms with gauge and hook size information so you can easily substitute other choices. [10 Granny Squares, 30 Blankets](#)

Margaret Hubert, 2015-12-01 Crochet up to thirty creative blankets that start from just ten granny squares, from crazy colorful to stylishly sophisticated. The granny square is the perfect foundation for countless projects and is unparalleled for its portability, versatility, and endless variety. *Crochet 15 Gorgeous Granny Square Crochet Patterns*. Crochet is an art that has lasted through the ages and with good reason. This is an art that has been handed down from person to person and has been enjoyed for centuries. Why? The answer is simple. We all like to have things that are handmade and we all like to enjoy things that are one of a kind. When you crochet something, you know without a doubt that it is not only one of a kind but it had to have been made by hand. There's no machine on the planet that is able to crochet simply because this is an intricate field that you have to do by hand. This fascination has kept crochet as one of the best and foremost hobbies as well it should be. One of the most popular things that can be made with crochet is the granny square. This is a generic term that covers a wide range of options including basic single kinds of stitch squares as well as granny squares that are as intricate and elaborate as any other design you can imagine. This book is going to show you how to make your own granny squares and how to turn those into bigger and cooler projects. Sure you might think with a name like that it has to be simple or old-fashioned, but I assure you that is not the case. With this book, you are going to learn how to make your very own granny square projects and turn them into all kinds of things you can wear, use and enjoy. I am going to show you just how you can turn this hobby into something useful and how you can change the way you think of the simple square once and for all. Learn how to make a variety of granny squares for various projects. Learn how to turn those squares into actual projects. Have fun and design your own. Mix and match for the best project creations. And more.
