Gratitude An Intellectual History:

Gratitude Peter J. Leithart, 2018-06-15 Gratitude is often understood as etiquette rather than ethics an emotion rather than politics It was not always so From Seneca to Shakespeare gratitude was a public virtue The circle of benefaction and return of service worked to make society strong But at the beginning of the modern era European thinkers began to imagine a political economy freed from the burdens of gratitude Though this rethinking was part of a larger process of secularization it was also a distorted byproduct of an impulse ultimately rooted in the teachings of Jesus and the apostle Paul Christians believed that God stood at the center of the circle of gratitude God was the object of thanksgiving and God gave graciously Thus Christians taught that grace cancelled the oppressive debts of a purely political gratitude *Gratitude An Intellectual History* examines changing conceptions of gratitude from Homer to the present In so doing Peter J Leithart highlights the profound cultural impact of early Christian ingratitude the release of humankind from the bonds of social and political reciprocity by a benevolent God who gave and who continues to give graciously *Themelios*, Volume 40, Issue 2 D. A. Carson, 2016-04-22 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary **The Art of Gratitude** Jeremy David Engels, 2018-04-25 In *The Art of Gratitude* Jeremy David Engels sketches a genealogy of gratitude from the ancient Greeks to the contemporary self help movement One of the most striking things about gratitude Engels finds is how consistently it is described using the language of indebtedness A chief purpose of this he contends is to make us more comfortable living lives in debt with the nefarious effect of pacifying the citizenry so we are less likely to speak out about social and economic injustice To counteract this he proposes an alternative art of gratitude as thanksgiving that is inspired by Indian philosophy particularly the yoga philosophy

of the Bhagavad Gita and Patanjali's Yoga Sutras He argues that this art of gratitude can challenge neoliberalism by reorienting our politics away from resentment anger and guilt and toward a democratic ethic of thanksgiving and the common good

American Intellectual History Jennifer Ratner-Rosenhagen, 2021 Long before the United States was a nation it was a set of ideas projected onto the New World by European explorers with centuries of belief and thought in tow From this foundation of expectation and experience America and American thought grew in turn enriched by the bounties of the Enlightenment the philosophies of liberty and individuality the tenets of religion and the doctrines of republicanism and democracy In engaging and accessible prose Jennifer Ratner-Rosenhagen's introduction to American thought considers how notions about freedom and belonging the market and morality and even truth have commanded generations of Americans and been the cause of fierce debate

Philosophical Perspectives on Existential Gratitude Joshua Lee Harris, Kirk Lougheed, Neal DeRoo, 2023-03-23 Existential gratitude gratitude for one's very existence or life as a whole is pervasive across the most influential human cultural and religious traditions Weaving together analytic and continental as well as non-western and historical philosophical perspectives this volume explores the nexus of gratitude existence and God as an intersubjective phenomenon for the first time A team of leading scholars introduce existential gratitude as a perennially and characteristically human phenomenon central to the distinctive life of our species Attention is given to the conditions under which existence itself might be construed as having a gift like or otherwise gratitude inducing character Drawing on a diversity of perspectives chapters mark out new territory in philosophical inquiry addressing whether and in what sense we ought to be grateful for our very existence By analysing gratitude this collection makes a novel contribution to the discourse on moral emotions phenomenology anti-natalism and theology

Philosophy and Psychedelics Christine Hauskeller, Peter Sjöstedt-Hughes, 2022-06-16 What do psychedelics reveal about consciousness What impact have psychedelics had on philosophy In this rapidly growing area of study this is the first volume to explore the philosophy of psychedelic experience from a range of interdisciplinary and cross-cultural perspectives In doing so *Philosophy and Psychedelics* reveals just why the place of psychedelics in our societies should not be left to medical sciences alone as psychedelic experience opens up new perspectives on fundamental philosophical questions relating to human experience ethics and the metaphysics of mind Mapping a range of philosophical responses to the surge in studies into psychedelic drugs in the cognitive sciences this volume examines topics including psychedelics and the role of governance psychedelics and mysticism what psychedelics can tell us about dyadic thankfulness and psychedelics as ways to gain new knowledge Written by leading international scholars the essays cover Western and non-Western traditions from analytic philosophy to Zen Buddhism and discuss a variety of hallucinogens such as LSD MDMA and Ayahuasca in order to build a much needed bridge between the rapidly growing scientific research and the philosophy behind psychedelic experience

The New Testament and Intellectual Humility Grant Macaskill, 2018-12-20 This study examines how the New Testament scriptures might form and foster intellectual humility

within Christian communities It is informed by recent interdisciplinary interest in intellectual humility and concerned to appreciate the distinctive representations of the virtue offered by the New Testament writers on their own terms It argues that the intellectual virtue is cast as a particular expression of the broader Christian virtue of humility something which itself proceeds from the believer's union with Christ through which personal identity is reconstituted by the operation of the Holy Spirit This demands that we speak of virtue in ways determined by the acting presence of Jesus Christ that overcomes sin and evil in human lives and in the world The Christian account of the intellectual virtue of humility is framed by this conflict as the minds of believers who live together within the Christian community struggle with natural arrogance and selfishness and come to share in the mind of Christ The new identity that emerges creates a fresh openness to truth as the capacity of the sinful mind to distort truth is exposed and challenged This affects not just knowledge and perception but also volition for these ancient writers a humble mind makes good decisions that reflect judgements decisively shaped by the sacrificial love of Jesus Christ By presenting humility of mind as a characteristic of the One who is worshipped Jesus Christ the New Testament writers insist that we acknowledge the virtue not just as an admission of human deficiency or limitation but as a positive affirmation of our rightful place within the divine economy

History and Human Flourishing Darrin M. McMahon, 2023

The Humanities and Human Flourishing series publishes edited volumes that explore the role of human flourishing in the central disciplines of the humanities and to what degree the humanities can increase human happiness This volume examines the relationship between history and human flourishing and more broadly investigates the ways in which the arts and humanities are related to human well being The essays here represent the efforts of a varied and distinguished group of professional historians to consider a deceptively simple question what is the value of history for life Each author asks in what ways historians their work and the objects of their inquiry might contribute to human well being and how they might be encouraged to do so History in this volume refers not just to the past writ large but also to the discipline and practice of historical inquiry along with the production and consumption of works of historical representation Thinking of history in these ways the contributors address a wide variety of subjects in connection to issues of well being considering history across time and place as a vocation a source of the sublime a site of play and a repository of meaning with surprising analogues to religious experience Overall History and Human Flourishing uses personal experience insight into the professional and scholarly world of historians and a variety of historical periods and approaches to highlight the value of studying history in discussions of human flourishing The essays in this volume identify history and the historical craft as tremendous potential resources for human well being and of vital importance for our times

Philosophies of Gratitude Ashraf H. A. Rushdy, 2020

Ashraf H A Rushdy examines gratitude as a philosophical concept In the first half of the book he outlines its history and significance in western philosophical history specifically in classical antiquity the early modern era and the Enlightenment The second half of the book is focused on contemporary meanings of gratitude as a sentiment action and disposition how we

feel grateful act grateful and cultivate grateful being Rushdy argues that gratitude is a virtue that we practice in moral recognition of our dependency and connectedness with our families friends communities environments and universe

Islam, Orientalism and Intellectual History Mohammad R. Salama, 2011-03-30 Debates on the relationship between Islam and the West rage on from talk of clashing civilizations to political pacification from ethical and historical perspectives to distrust xenophobia and fear Here Mohammad Salama argues that the events of 9 11 force us to engage ourselves fully without preconditions in understanding not just the history of Islam as a religion but of Islam as a historical condition that has existed in relationship to the West since the seventh century Salama compares the Arab Islamic and European traditions of historical thought since the early modern period focusing on the watershed moments that informed the two traditions ideas of intellectual history and perceptions of one another He draws attention to European intellectual history s entangled links with the Islamic philosophy of history especially the complexities of orientalism and modernity Recent critical reflections on the work of Ibn Khald n confirm this intertwined and troubled relationship reflecting major disparities and contradictions At the same time recent Arab writings on Europe s intellectual history reveal a struggle against erasure and intellectual superiority Calling for a new understanding of the relationship between Islam and the West Salama argues that Islam has played a major role in enabling and positioning various paths of Western historiography at crucial moments of its development leaving palpable imprints on Islamic historiography in the process He proposes an answer to a fundamental question how to make sense of the mechanics of production in Arab Islamic and Western historiographies or how to identify the ways in which they have both failed to make sense of themselves and of each other in an increasingly disenchanted postnationalist world Spanning an impressive array of recent writings on these themes as well as older foundational texts in both traditions including al Tabar Ibn Khald n Hegel al Jabart Toynbee Foucault Edward Said and Hourani this book is both timely and crucial for all those interested in Islamic and Middle Eastern studies Western and Islamic philosophies of history modernity and the relationship between Islam and the West

Gratitude An Intellectual History Introduction

In today's digital age, the availability of Gratitude An Intellectual History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gratitude An Intellectual History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gratitude An Intellectual History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gratitude An Intellectual History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gratitude An Intellectual History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gratitude An Intellectual History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gratitude An Intellectual History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gratitude An Intellectual History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gratitude An Intellectual History books and manuals for download and embark on your journey of knowledge?
