**Great Commission Obedience** Jerry Rankin, 2011 A resource for pastors who desire to preach boldly on missions featuring forty messages from veteran missionary and retired International Mission Board president Jerry Rankin **Great Commission Obedience** Jerry Rankin, 2011-04-07 Great Commission Obedience is a resource for pastors that will inspire them to preach boldly on missions and spark an evangelistic resurgence It features messages compiled by veteran missionary and retired International Mission Board president Jerry Rankin each one packed with personal illustrations and practical examples of how God is at work around the world today As the Southern Baptist denomination rallies toward a Great Commission Resurgence these messages help clear that path and unite volunteer mission teams being sent out by the church

The Great Commission Resurgence Chuck Lawless, Adam W. Greenway, 2010 A collection of essays by Southern Baptist leaders on the biblical theological and practical matters relating to their convention s Great Commission Resurgence initiative Mobilizing a Great Commission Church for Harvest Thomas P. Johnston, 2011-05-23 Mobilizing a Great Commission Church for Harvest addresses practical aspects of evangelism in the local church with the voices and views of nineteen current Southern Baptist professors of evangelism They address important topics to local church evangelism such as Invitations with integrity and Preparing for Spiritual Warfare Key leaders and professors write in their areas of expertise For examples Alvin Reid writes on Mobilizing Students David Wheeler on Servant Evangelism Josef Solc on Sports Evangelism and Darrell Robinson on The Evangelist In addition the book begins and ends with two different applications of Matthew s Great Commission Mobilizing a Great Commission Church for Harvest is a gold mine of information for both pastor and deacon as it is for students considering the importance of evangelism to local church ministry It is fresh new and true as all of its authors teach at SBC affiliated schools and are grounded in the Bible as the inerrant Word of God

**Church Plantology** Peyton Jones, 2021-04-20 The first comprehensive textbook on effective church planting from a veteran church planter The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder and there is much we can learn from his example Paul indicated that there were basic skills and experiences required to successfully plant a church Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who d served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don t end up a walking statistic **Sharing Jesus with Hindus** Sam George, Ashok Kumar, 2024-07-30 Building Authentic Relationships with Hindus Indians make up the world s largest diaspora community

and most of them are Hindus of diverse backgrounds languages and cultures Millions of Hindus have migrated abroad in recent decades and are well settled in different countries while many more are expected to be dispersed far and wide in the coming years Many of them are highly educated and skilled professionally successful culturally adaptive and very religious in their outlook Sharing Jesus with Hindus is the collective wisdom of many seasoned ministry leaders and practitioners about how to minister effectively to contemporary global Hindus The contributors are situated in different parts of the world and some come from Hindu backgrounds themselves Emerging from an international conference on mission to and among Hindus worldwide this book provides practical ministry strategies and scholarly reflections drawn from decades of insight The authors have experience in diasporic living and ministering to Hindus in diverse contexts Learn how to share the gospel of Jesus Christ with your new neighbors from the Indian subcontinent Avoid common mistakes and be an effective Christian witness to Hindus globally Here is an essential resource in the toolkit of every church and Christian ministry worldwide

*Resurgence*, 1997      *Anabaptism and Mission* Wilbert R. Shenk, 2001-03-02      *Mission Theology: 1948-1975 Years of Worldwide Creative Tension* Rodger Bassham, 2002-08-19 This volume seeks to be both fair and comprehensive Its critical insights do not prevent the endorsement of an ecumenical latitude consistent with our biblical faith It was written for those who are determined to listen and learn from all whom God has manifestly received and called to holistic mission in today's world Arthur Glasser Professor Fuller Theological Seminary Bassham's comprehensive study of developments in mission theology between 1948 and 1975 is the most thorough and reliable work available on the subject The book is invaluable for an understanding of the crucial issues in world mission during this turbulent period Gerald Anderson Director Overseas Ministries Study Center Bassham has written what ought to become the standard textbook for those seeking to acquire a comprehensive long range perspective on developments in missiology in recent decades Delightfully clear and simple without being simplistic the book shows the remarkable convergence of the main streams of missiological thinking Al Krass Editor *The Other Side*      *Constants in Context* Stephen B. Bevans, Roger P. Schroeder, Roger Schroeder, 2004-01-01 Mission is handicapped without a sound biblical theology of mission and an understanding of the history of mission leading up to our current context Constants in Context offers both of these elements It is mission theology in historical perspective and or a history of mission that is grounded theologically The authors describe it as a systematic theology with mission at its core and a church history shaped by the constant but always contextual Christian traditions Furthermore it is a constructive contribution to how mission theology needs to be practical and lived out through today's church and in our world Written collaboratively by Roman Catholic writers Stephen Bevans and Roger Schroeder both Missionaries of the Divine Word SVDs It is a particularly insightful in regard to the history and the various streams of Catholic mission but it also addresses and learns from the other traditions of the church In fact one of the book's strengths is its attention to neglected aspects and hidden stories of church and mission history As a result it is gratifying to be inspired by non European mission women in

mission and various forgotten or often ignored branches of the church The book is in three sections first there is a framework for cultural contexts and theological constants second an in depth exploration of historical stages and different models for mission and third a presentation of theological frameworks for mission The third section concludes with a case for mission as prophetic dialogue being the most appropriate model for 21st century mission Amazon com *Malay Muslims* Robert Day McAmis,2002-07-09 McAmis also gives attention to the history of their relationship with Christians a history that is key to understanding the current state of religious and social life in places like Indonesia Malaysia and the Philippines Since Muslims and Christians together comprise ninety four percent of the Malay population peaceful interaction and cooperation between mosque and church are crucial to realizing the economic and political goals of the entire region *A Handbook of Churches and Councils* World Council of Churches,2006 It has often been said and rightly so that the World Council of Churches WCC is first and foremost a fellowship of churches This book is a vivid illustration of that reality The descriptions lists statistical data and other information presented in these pages give a striking picture of the extent and diversity of this fellowship It encompasses a Christian population of some 590 million people in close to 150 countries in all regions of the world comprised of over 520 000 local congregations served by some 493 000 pastors and priests as well as countless elders teachers members of parish councils and others A Handbook of Churches and Councils is not simply a handbook of the member churches of the WCC At all levels global regional and sub regional national and local member churches of the WCC interact with other churches which for various reasons are not formally part of the Council s membership By combining in one volume all the conciliar and confessional bodies and their membership this book demonstrates concretely the reach of the ecumenical movement and also shows how much broader it is than the WCC alone It serves to remind us that ownership of the movement rests not only with the WCC but with all the partners and ultimately with God *The Living Church* ,2000-07 **A New Vision, a New Heart, a Renewed Call** David Claydon,2005 **Philosophical Discourse: Thought, Consciousness & Ethics** Orance Mahaldar,Gopi Nath Mondal,Kinkini Bhadra,2016-09-30 *Hindus and Christians* S.
