**The Law of Contract** Janet O'Sullivan, Jonathan Hilliard, 2014. The Core Text Series takes the reader straight to the heart of the subject providing an invaluable and reliable guide for students of law at all levels. Written by leading academics and renowned for their clarity, these concise texts explain the intellectual challenges of each area of the law. The Law of Contract provides you with a clear, straightforward and comprehensive account of the core principles of contract law to give you a sound understanding of the subject. Written by Janet O'Sullivan, Director of Studies at Selwyn College, Cambridge, and Jonathan Hilliard, barrister at Wilberforce Chambers, this text covers all the key topics on LLB and GDL courses and introduces you to current debates in the field. The authors break down complex problems into manageable steps and self-test questions are provided at the end of each chapter to help you reinforce your learning and aid revision. You can find answer guidance to these questions as well as additional support for your studies including author podcasts discussing key cases, additional chapters and web links on the accompanying Online Resource Centre.

*MacQueen and Thomson Contract Law in Scotland* Hector L MacQueen, 2020-08-13. Provides a comprehensive introduction to the principles of the Scots law of contract and provides the reader with a clear analysis of this difficult area of the law. This practical text illustrates the different types of contractual situations and examines the formation, performance and enforcement of contracts. Includes examples of typical contract clauses and treats remedies in detail. Is set in a comparative context and discusses the problems of cross-border and international contracts. Explains the underlying principles of contract law. Is written in a clear, well-structured style and uses diagrams to illustrate complex situations. The fifth edition covers key Supreme Court cases including *Cavendish Square Holding BV v Tala El Makdessi* and *ParkingEye Limited v Beavis* regarding penalty clauses. It also includes a new chapter on capacity to make a contract, i.e. who can make a contract. This title is included in Bloomsbury Professional's Scottish Law and Scots Law Student online services.

*Contract Law* Neil Andrews, 2015-05-14. Significantly streamlined and updated, the second edition of Andrews Contract Law now provides a clear and succinct examination of all of the topics in the contract law curriculum. Chapters direct students to the most important decisions in case law and employ a two-level structure to integrate short judicial excerpts into detailed discussion and analysis. Exploration of the law's loose ends strengthens students' ability to effectively analyse case law and new end-of-chapter questions which focus on both core aspects of the law and interesting legal loopholes assist students in preparing for exams. Students are guided through chapter material by concise chapter overviews and a two-colour text design that highlights important chapter elements. Suggestions for further reading and a rich bibliography which point readers to important pieces of contemporary literature and provide a

springboard for deeper investigation of particular topics lend further support for student learning

Scholars of Contract Law James Goudkamp, Donal Nolan, 2022-12-01 This book provides a counter balance to the traditional focus on judicial decisions by exploring the contribution of legal scholars to the development of private law In the book the work of a selection of leading scholars of contract law from across the common law world ranging from Sir Jeffrey Gilbert 1674 1726 to Professor Brian Coote 1929 2019 is addressed by legal historians and current scholars in the field The focus is on the nature of the work produced by the scholars in question important influences on their work and the impact which that work in turn had on thinking about contract law The book also includes an introductory chapter and an afterword by Professor William Twining that explore connections between the scholars and recurrent themes The process of subjecting contract law scholarship to sustained analysis provides new insights into the intellectual development of contract law and reveals the central role played by scholars in that process And by focusing attention on the work of influential contract scholars the book serves to emphasise the importance of legal scholarship to the development of the common law more generally

Poole's Textbook on Contract Law Robert|Saintier Merkin (Severine), 2025

**Contract Law Minimalism** Jonathan Morgan, 2013-11-07 Commercial contract law is in every sense optional given the choice between legal systems and law and arbitration Its doctrines are in fact virtually all default rules Contract Law Minimalism advances the thesis that commercial parties prefer a minimalist law that sets out to enforce what they have decided but does nothing else The limited capacity of the legal process is the key to this minimalist stance This book considers evidence that such minimalism is indeed what commercial parties choose to govern their transactions It critically engages with alternative schools of thought that call for active regulation of contracts to promote either economic efficiency or the trust and co operation necessary for relational contracting The book also necessarily argues against the view that private law should be understood non instrumentally whether through promissory morality corrective justice taxonomic rationality or otherwise It sketches a restatement of English contract law in line with the thesis

**Textbook on Contract Law** Jill Poole, 2014 This 12th edition provides a wide ranging and straightforward exposition of contract law The text opens with an overview of the main issues surrounding contract law which places the subject in its wider context then goes on to give a clear explanation of all the major areas of contract law encountered on undergraduate courses
