Great Houses Of Ireland:

Great Houses of Ireland Hugh Montgomery-Massingberd, Christopher Simon Sykes, 2003-09 Although known for its lush green vistas and glorious countryside Ireland also boasts an architectural trove of 18th and 19th century country houses Great Houses of Ireland reveals 26 of these wonderful castles and county seats many never published before in full color

In Ruins Duncan McLaren, 1980 Voices from the Great Houses of Ireland: Life in the Big House Jane O'Keeffe, 2013-03-10 Did you ever see a big house in the countryside and wonder who used to live in such a property Have you ever wondered about the story behind such an old and historic house This book reveals the story behind some of the greatest houses in Ireland Maurice O Keffe has interviewed the surviving members of many of the Anglo Irish and old Irish families who lived and in many cases still live in these great houses They have talked about their family histories their links to the communities in which they are based and about the fascinating details of life in these houses For the first time the families still living in and descendants of families that once lived in these houses speak about the ups and downs of life in Ireland from as far back as the 1600s With previously unpublished photographs and untold stories this is a must have book for those interested in the social history of Ireland Great Houses of Scotland Hugh Montgomery-Massingberd, Christopher Simon Sykes, 1997 26 houses photographed in colour and accompanied by informative text about their history The Big House in Ireland Jacqueline Genet, 1991-01-01 The Big House has been an element of tragedy in the course of Ireland s history and it is considered such by contemporary novelists such as Aidan Higgins and Jennifer Johnson It has been the crucible in which two civilizations failed to melt and yet became inseparably bound together from the Introduction by Guy Fehlmann Contents Introduction An Historical Survey Guy Fehlmann The Big House in Western Ireland Breand n MacAodha Cast a Cold Eye A Sociological Approach Joy Rudd Distribution Function and Architecture Breand n MacAodha The Beginnings of Big House Fiction Maria Edgeworth Castle Rackrent Bernard Legros Irish Homes in the Work of C R Maturin Claude Fi robe Historical Glimpses John Banim Bernard EscarbeGerald Griffin Michel Flot Le Fanu s Houses Jean Lozes The Golden Age George Moore s Big House Novel A Drama in Muslin Jean No l Joyce Cary Castle Corner A Big House Novel Jacques Emprin Interior and Exterior The Big House and the Irish Landscape in the Work of Elizabeth Bowen Gear id Cronin Elizabeth Bowen s A World of Love Josette Leray The Big House in Se n O Faol in s Fiction Denis Sampson Molly Keane Maurice Elliot Jennifer Johnston Mark Mortimer John Banville and the Subversion of the Big House Novel Gear id Cronin A View from Outside A Shadowless Castle of Treasures Kinalty Castle in Henry Green s Loving Fiona MacPhail Major and Majestic J G Farrell s Troubles Fiona MacPhail Through the Poets Eyes Yeats and the Big Houses Jacqueline Genet The Big House by Paul Muldoon The Approach of the Satirist Dominique Gauthier The Image of the Big House in the Poetry of Derek Mahon and Tom Paulin Caroline MacDonough **Great Houses of Ireland** Hugh Montgomery-Massingberd, Christopher Simon Sykes, 1999 Ireland boasts an architectural treasure trove of 18th and 19th century country houses This text looks at

26 of these county seats from Curraghmore in County Waterford and Ballywater Park in County Down to Glin Castle in County Limerick **Great Irish Houses and Castles** Jacqueline O'Brien, Desmond Guinness, 1992 *The Lost Houses of Ireland* Randal MacDonnell, 2002-08-08 There is a growing fascination with Irish houses This pictorial record shows 25 houses and castles in the time when the original families were still in residence and their interiors and contents were intact just before they sank into oblivion burdened by debt and decay The text tells the story of the families who owned these wonderful houses their sometimes ruthless beginnings and their extravagant and often eccentric ends *In Ruins* Duncan McLaren, 1997 **The Hidden Houses of Ireland** Marianne Heron, 1999 Intended as a companion guide to THE HIDDEN GARDENS OF IRELAND by the same author this is an illustrated guide to houses all over Ireland The history and architecture of each house is discussed as well as the family background of past and present inhabitants It also contains opening times directions admission prices and contact numbers The Cambridge Social History of Modern Ireland Eugenio F. Biagini, Mary E. Daly, 2017-04-27 This is the first textbook on the history of modern Ireland to adopt a social history perspective Written by an international team of leading scholars it draws on a wide range of disciplinary approaches and consistently sets Irish developments in a wider European and global context *Leinster : Beautiful Ireland Series* Stephen Lucius Gwynn, *Leinster Beautiful Ireland Series* Leinster is the richest of Irish provinces the heart of Ireland and for beauty it can challenge any of its sisters save in one respect only it lacks the beauty of wildness What it has to show of most beautiful lies within twenty miles of the capital There is no city north of the Alps which has so lovely surroundings as Dublin or so varied in their loveliness Sea and mountain plain and river all come into that range of exquisite choice But everywhere in it the beautiful frame of nature has been modified and beautified by man Since it is not possible in the small space available to describe exhaustively the features of this great province which stretches from the sea to the Shannon and from the Mourne Mountains to Waterford Haven Pg 6 a selection must be made and indicated at once First then the county of Dublin itself infringing a little on Kildare Secondly the Wicklow Mountains and their glens Thirdly that rich valley of the Boyne which was the heart of the ancient kingdom of Meath But before details are dealt with some general idea of the topography must be given Suppose you are on deck when the mail boat from Holyhead has been two hours out or a little more I write here for strangers you will see Dublin Bay open before you To your right making the northernmost horn of the curve is the rocky almost mountainous peninsula of Howth and ten miles north of it you see its shape repeated in the Island of Lambay Except for that to the north and to the west coast and land are all one wide level far as your eye can reach unless by some chance the air be so rarefied that you discern fifty miles northward the purple range of Carlingford Hills still in Leinster and beyond them delicate and aerial blue the long profile of the Mourne Mountains where Ulster begins But to the south of the city where it lies in the bight of the bay spilling itself northward along the shore to Clontarf of famous memory and southward to Kingstown and beyond mountains rise a dense huddle of rounded shouldering heights stretching away far as you can see

Near Dublin they almost touch the Pg 7 shore one rocky spur comes down to Dalkey Island which was the deep water landing place before Kingstown harbour was built it rises into the peaked fantastic summit of Killiney Hill Beyond it the coast curves in a little giving a bay and valley in which lies Bray our Irish equivalent for Brighton The Bray river marks the limits of County Dublin and beyond Bray again is the high serrated ridge of Bray Head fronting the water in a cliff Landward from it rises peak by peak that exquisite chain of heights which from Little Sugarloaf to Great Sugarloaf runs back to connect here once more the main body of mountains with the sea
