### **The Nature of Magic**

Susan Greenwood,2020-06-03 This book examines how and why practitioners of nature religion Western witches druids shamans seek to relate spiritually with nature through magical consciousness Magic and consciousness are concepts that are often fraught with prejudice and ambiguity respectively Greenwood develops a new theory of magical consciousness by arguing that magic ultimately has more to do with the workings of the human mind in terms of an expanded awareness than with socio cultural explanations She combines her own subjective insights gained from magical practice with practitioners in depth accounts and sustained academic theory on the process of magic She also tracks magical consciousness in philosophy myth folklore story telling and the hi tech discourse of postmodernity and asks important questions concerning nature religion s environmental credentials such as whether it as inherently ecological as many of its practitioners claim
