Greener Products The Making And Marketing Of Sustainable Brands:

Greener Products Al Iannuzzi, 2024-08 Sustainability and its competitive advantage is the goal of every company and any brand that wants to stay successful in the marketplace. Customers also gravitate to brands that manage sustainability issues well. **Greener Products The Making Marketing of Sustainable Brands** written by a renowned sustainability expert continues to address the latest developments in the extremely fast moving field of sustainability. Thoroughly updated, this third edition introduces new case studies, includes a new chapter on natural capital cost accounting, and explores the best practices of leading global companies and helps readers learn what it is that makes them successful. Greener Products Al Iannuzzi, 2017-08-03 Written by a renowned sustainability expert, **Greener Products The Making and Marketing of Sustainable Brands** Second Edition makes the case for why the people and the planet need products to be made in a different, more sustainable way. The growth of the global middle class, with an additional 3 billion people expected to enter the consumer market by 2030, is putting an unprecedented demand on resources and straining the global supply of raw materials, fossil fuels, food, and water. This book provides insights on how to raise the bar on product development and investigates the best practices for making and marketing sustainable brands. Over 40 case studies are analyzed in this book and summarized for the reader to easily see what it is that makes leading companies successful. Analysis on marketing campaigns and greener product development range from leading companies like Apple, Nike, Samsung, Electronics, BASF, GE, Johnson & Johnson, Unilever, and Method. New updated content in this second edition includes New developments like the United Nations Sustainable Development Goals with concepts of biomimicry, circular economy, emerging issues, management, and eco innovation. Novel tools and examples for bringing sustainable products to market. New chapter dedicated to natural capital. Analysis of current green marketing methods and market trends. Best practices for making and marketing sustainable brands. For more information, visit the author's book website at www.greenerproducts.biz. *Marketing in 2021* Sruthi S, Bhawana Raghav, V. MURUGAN, Social and Sustainability Marketing Jishnu Bhattacharyya, Manoj Kumar Dash, Chandana Hewege, M.S. Balaji, Weng Marc Lim, 2021-09-26 an important intervention in the conversation around social and ecological sustainability that draws on both micromarketing and macromarketing scholarship to help the reader understand the challenges with illustrations from insightful cases both from emerging and developed economies.
