Guide To The Present Moment:

How to Live in the Moment Charmagne Matthews, 2015-03-18 In today's hectic and busy world the idea of being free of worries seems like an impossible fantasy. We have taxes to pay, bills to take care of, a roof to keep over our heads and the corporate grind to deal with. The alternative is to live in a tent on some isolated island somewhere and forage off the land, though come to think of it, even that comes with its own set of worries. Doesn't it? Of course, in small doses, worrying is not necessarily bad in itself. When it's a consistent presence filling your life with dread, however, then that's another thing entirely. There's a vast body of medical evidence proving that constant worrying can lead to a whole host of mental, physical, and psychological problems. The good news is that for those who refuse to accept living in a constant state of anticipation and anxiety, there is a way. And yes, it's actually doable and it really works. It's all about living in the present moment and dealing with each situation as it arises. Millions, if not more, have perfected different methods of living in the present moment throughout the centuries, techniques which more and more Americans are discovering and benefitting from. This book distills those methods into simple, easy-to-do exercises which require no special equipment or expense. The only things you need are time, desire, effort, and practice. [Living in the Moment](#) Life Success Books, 2017-09-08 Would you like to radically change your life for the better? The current moment is the only moment we truly have to be joyful, to be awake to our surroundings, and to be mindful. Learn how to be there for yourself and be fully present in your life. [Mindfulness for Beginners](#) Vern Lovic, 2017-01-02 Mindfulness and Meditation are a Team. If you're meditating, you'll also enjoy practicing mindfulness as taught here in this very simple-to-understand book. This book goes well with my meditation book, *Meditation for Beginners A 22 Day Course*, you can also find here at Amazon. With metta, Vern L.
