Unbroken (Movie Tie-in Edition) Laura Hillenbrand, 2018-08-21 1 NEW YORK TIMES BESTSELLER The incredible true story of survival and salvation that is the basis for two major motion pictures Unbroken and Unbroken Path to Redemption Extraordinarily moving a powerfully drawn survival epic The Wall Street Journal Hailed as the top nonfiction book of the year by Time magazine Winner of the Los Angeles Times Book Prize for biography On a May afternoon in 1943 an Army Air Forces bomber crashed into the Pacific Ocean and disappeared leaving only a spray of debris and a slick of oil gasoline and blood Then on the ocean surface a face appeared It was that of a young lieutenant the plane's bombardier who was struggling to a life raft and pulling himself aboard So began one of the most extraordinary odysseys of the Second World War The lieutenant's name was Louis Zamperini In boyhood he'd been a cunning and incorrigible delinquent breaking into houses brawling and fleeing his home to ride the rails As a teenager he had channeled his defiance into running discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four minute mile But when war had come the athlete had become an airman embarking on a journey that led to his doomed flight a tiny raft and a drift into the unknown Ahead of Zamperini lay thousands of miles of open ocean leaping sharks a foundering raft thirst and starvation enemy aircraft and beyond a trial even greater Driven to the limits of endurance Zamperini would answer desperation with ingenuity suffering with hope resolve and humor brutality with rebellion His fate whether triumph or tragedy would be suspended on the fraying wire of his will Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in Seabiscuit Telling an unforgettable story of a man's journey into extremity Unbroken is a testament to the resilience of the human mind body and spirit

Sharp Cut Steven H. Gale,2021-02-16 While best known as one of the most important playwrights of the twentieth century Harold Pinter 1930 2008 had an equally successful career writing screenplays His collaborations with director Joseph Losey garnered great attention and esteem and two of his screenplays earned Academy Award nominations The French Lieutenant s Woman 1981 and Betrayal 1983 He is also credited for writing an unproduced script to remake Stanley Kubrick s 1962 adaptation of Lolita Much scholarship has been

dedicated to the subject of Pinter as playwright but the rich landscape of his work in film has been left largely undisturbed In *Sharp Cut* Harold Pinter's Screenplays and the Artistic Process Steven H Gale the world's foremost Pinter scholar analyzes Pinter's creative process from initial conception to finished film Gale makes careful point by point comparisons of each stage in the screenplay's creation the source material the adaptations themselves and the films made from the scripts in order to reveal the meaning behind each film script and to explain the cinematic techniques used to express that meaning Unlike most Pinter scholars who focus almost solely on the written word Gale devotes discussion to the cinematic interpretation of the scripts through camera angles and movement cutting and other techniques Pinter does not merely convert his stage scripts to screenplays he adapts the works to succeed in the other medium avoiding elements of the live play that do not work onscreen and using the camera's focusing operations in ways that are not possible on the stage As Pinter's career progressed and his writing evolved screenplays became for him an increasingly vital means of creative expression *Sharp Cut* is the first study to fully explore this important component of the Pinter canon
