Shenandoah Valley and Amador Wine Country Kimberly Wooten, R. Scott Baxter, 2008 The grape has been grown and fermented into wine in the foothills of Amador County since the first days of the Gold Rush. While many dreamed of overnight riches in the gold fields, others saw wealth in the region's red soils and Mediterranean climate, patiently planting gardens and orchards, wheat and vine. These vines, some of the oldest Zinfandel in California, have produced distinctive wines in a viticultural tradition that has survived the ravages of mining, disease, and Prohibition. After Prohibition, the region slipped into quiet jug production until its rediscovery in the 1960s. While the Shenandoah Valley is undeniably the heart of Amador's winemaking region, today vineyards flourished historically from Sutter Creek to Fiddletown, from Jackson to Ione, and tasting rooms are open countywide.

Drink Your Words Carolyn Dismuke, 2024-08-04 Living your dream takes many forms. A fulfilling career in the city and an active social life had convinced California native Carolyn Dismuke that she was living the dream, but her life changed when she drove by vineyards on back roads. She became a diligent student in a world-renowned wine studies program where she mastered the classic regions. Eight chapters on France and seven on Italy left her salivating for more. Yet only one chapter on California compelled her to pack her wanderlust and set out to live in a different region every month to soak in all the juicy details. *Drink Your Words* chronicles her journey through the Golden State's appellations, highlighting vineyard details and travel tips. As she encounters a growing number of creative winemaking characters who coax the velvet nectar into its richest potential, she sees reflected in them her own creativity bubbling up inside her, struggling to be heard. It's an inspirational memoir for anyone dying to follow their passion. It's a helpful guide through California wine country for those who want to road trip.
