## **Grave Consequences A Charlie Henry Mystery:**

Grave Consequences David Thurlo, Aimée Thurlo, 2015-04-28 Charlie Henry former Special Forces operative and newly minted pawnbroker thinks that he's finally turned a corner and the calm quiet life he's always wanted is just ahead. But life never really works out that way. A young Navajo man comes into Charlie's shop FOB Pawn claiming that his girlfriend mistakenly pawned a beautiful family heirloom, a turquoise necklace that she desperately needs back. When he's unable to produce any proof of this tale, Charlie is immediately suspicious and sticks by the golden pawnbroker rule: No claim ticket, no exchange. Then the young man returns with reinforcements and guns, making it abundantly clear that there's more to this story than a family treasure. This necklace quickly becomes the focus of a case where everyone lies and every question seems to answer with gunfire. With the help of his semi-estranged brother Alfred, a tribal cop working undercover, Charlie quickly finds out that the pendant was the work of a Navajo silversmith who was recently murdered. And in an act so taboo in Navajo culture as to be unthinkable, his grave is dug up and this piece of jewelry removed. With multiple parties vying to get their hands on the necklace for what ill-gotten gains no one knows, it's up to Charlie and his comrades in arms to help find out who's really telling the truth and uncover the mysteries that this heirloom holds. Kill the Heroes David Thurlo, 2017-08-29 Charlie Henry, co-owner of a pawnshop and Iraq war veteran, has for the most part settled into his somewhat quieter life in Albuquerque. He is invited to attend the dedication of a memorial in a park where other local heroes and first responders are to be honored for their military accomplishments and dedication to the community. But trouble always seems to follow Charlie. When gunshots ring out, barely missing Charlie and hitting the man next to him, it's clear that a dangerous madman is on the loose. More shots are fired and two more veterans are injured. Charlie thinks he might have been the target and looks around for the shooter. The crowd is in a panic and he's unable to spot the gunman. Charlie tries to help the man who took the first hits, Nathan Whitaker, a decorated former Army helicopter pilot who has been badly wounded. No one is dead at least not yet. But Charlie vows to find the evil person who would attack American heroes; he refuses to go down without a fight and knows that the perpetrator will soon learn that he has messed with the wrong man. **Mystery Index** Steven Olderr, 1987 Provides indexes to American and British mystery novels by author, title, subject, setting, and characters. **What Do I Read Next?** Neil Barron, 2005-10-21 By identifying similarities in various books, this annual selection guide helps readers to independently choose titles of interest published in the last year.
