

SHORT GRAVESIDE PRAYER FOR BURIAL OF ASHES

“Loving Christ,

In three days in the tomb, You opened the graves of those who died in You, making the grave a symbol of hope that promises resurrection even though death conquers our mortal bodies.

Allow Your beloved child to rest in peace as You call them to Your glory because You are the resurrection and the source of immortal life.

Let (**say their name**) see Your glorious face and experience Your Heavenly splendor, for You reign forever. I pray and believe in Christ Jesus,

Amen”

Graveside Memorial Service Readings:

Funeral and Memorial Service Readings, Poems and Tributes Rachel R. Baum, 2007-11-28 Words can fail even the most articulate when called upon to speak at a loved one's funeral or memorial occasion. The bereaved desires to say something meaningful yet services are often held so quickly that there is little time to find something appropriate at the library or bookstore. This book is a collection of poetry and prose appropriate for reading at a funeral or memorial service. To assist the reader in finding a suitable passage, the book is divided into eleven chapters. There are tributes for mothers, fathers, children, spouses, and soulmates, friends, siblings, and other close relatives, soldiers and victims of war or violence, pets, and general readings appropriate for men, women, or any loved one. These selections will also prove helpful for clergy, counselors, and hospice, hospital, and funeral professionals. Appendices list resources and support organizations, and each selection is indexed by author, title, and first line. A special additional index references pieces by famous uses, such as in a film, novel, or celebrity's funeral, so readers can locate a passage they remember from its context.

Law Enforcement Funeral Manual (3rd Ed.) William P. Sanders, 2019-10-09 This third edition manual is intended to provide law enforcement agencies with a quick and informative reference when the worst occurs: the unexpected death of a departmental member. The material contained herein has been gathered by the International Conference of Police Chaplains from numerous departments and sources. It covers all law enforcement circumstances and protocols and religious beliefs. New to this edition is a section devoted to ethnic communities and death/funeral considerations. Divided into seven sections, the major topics cover preparing for the funeral, basic elements of law enforcement funerals, types of funerals, animal burials, funeral resources, survivor resources, and planning for the future. Police hymns, prayers, and help and supportive agencies are included for departments to use in drafting their own policies and procedures. Particular attention is given to ongoing care for the deceased member's family. A Line of Duty or Serious Injury form is provided as an example for other departments and agencies to use in drafting their own policies and procedures. The very helpful appendices contain a funeral checklist, a personnel debriefings form, and sample Line of Duty Death Department Regulation of Standard Operating Procedure and Model Department Policy.

Using the Book of Common Prayer Paul Thomas, 2014-08-04 A practical guide to using the Book of Common Prayer without using technical language or assuming prior knowledge. It includes a history and theology of the BCP with practical advice on using its principal services.

Preparing a Catholic Funeral Kenneth Koehler, 2012-08-01 In a revised and expanded edition, this simple pamphlet continues to guide us in dealing with death and arranging in advance for funerals. These booklets are often purchased in bulk by institutions to distribute to people of all ages to help them plan final arrangements or to families of the deceased immediately after a death. The original edition was prompted by the death of the author's father upon his passing and pending funeral; no one knew his plans or directives. Since then, scores of clergy, funeral directors, and parishioners have used this guide to address what needs to be done.

Spiritual Readings for Funerals and Memorial Services Hugh Morrison, 2014-11-24 Nothing is so completely beyond the power of death as a noble love Parting can shatter only its outward shell Under that strange touch love in its inmost recesses kindles and glows with a diviner life George S Merriam Today many people have only a nominal attachment to a religious denomination or faith tradition Yet at a profound rite of passage such as the funeral of a loved one they may still wish to hear words of spiritual comfort that are familiar inspiring and dignified and which express some belief in a higher power and a hope in some sense of a life hereafter This book of 143 poems and short prose readings is suitable for the funeral or memorial service of someone who was perhaps spiritual but not religious or who did not have a dogmatic faith yet was not opposed to religious ideas Many of the readings come from the humanistic Christian tradition expressing hope in the example of Jesus to help us through the darkest times of our lives and that a spiritual connection with our loved ones can survive death in some way which is ultimately beyond our

understanding There are also readings which are not specifically Christian and readings from other faith traditions The readings maintain the familiar traditional style of the King James Bible and the Book of Common Prayer with the formality and dignity expected of a funeral or memorial service from some of the world's greatest writers including Shakespeare John Donne Samuel Johnson Robert Browning and Anne Bronte as well as lesser known but equally inspiring authors Precious Days & Practical Love James Taylor, 1999 Caring for an aging parent involves more than finding a care facility or dealing with legal and financial matters It means feeling the frustration of always being on call if you live close by or feeling helpless and guilty because you live far away and can do relatively little It means riding the emotional roller coaster of having your roles reversed It's about the pain of being unable to change the inevitable but of having an inner compulsion to do what you can to make those final weeks or years as gentle as possible It's about continuing to love in spite of everything until the very end and beyond Precious Days Practical Love will help children of aging parents make the final months or years among the best experiences they'll have to remember and it will help counsellors understand the joys and challenges families may face
