analysis of leitmotif of American Dream or American Nightmare

The American Dream is a concept that has been around since the early 20th century. It is the idea that anyone can achieve success and wealth through hard work and determination. This dream is often associated with the American West, where people could make their fortune by mining or farming. However, by the 1920s, the American Dream had become more complex. It was no longer just about making money, but also about achieving a certain lifestyle and status. This is what F. Scott Fitzgerald explores in *The Great Gatsby*.

In the novel, the American Dream is represented by the character of Jay Gatsby. Gatsby is a man who has made his fortune through illegal means, but he is obsessed with the idea of winning back his lost love, Daisy Buchanan. He throws extravagant parties in hopes that she will one day appear at one of them. Gatsby's dream is ultimately shattered when he realizes that Daisy is no longer in love with him.

The American Dream is also represented by the character of Nick Carraway. Nick is a man who has achieved success through honest means, but he is disillusioned by the corruption and decadence of the 1920s. He sees the American Dream as a hollow pursuit, one that leads to nothing more than a life of excess and self-destruction. Nick's journey in the novel is one of discovery, as he learns to see the world through Gatsby's eyes and realizes the true nature of the American Dream.

The Great Gatsby is a powerful critique of the American Dream. Fitzgerald shows us that the dream is not what it seems. It is not a path to happiness or success, but a trap that leads to ruin. The novel is a warning to us all, reminding us that the pursuit of wealth and status is often a fool's errand. In the end, the only way to truly live is to embrace the present and the people we love.

NOVEL

1. relationship between Nick and Jordan more thematised

2. the lack of acceptance of the upper class, towards Gatsby, becomes clearer

3. more details and insights into motivations, actions and thoughts of the individual characters

4. more detailed description of the parties and the social hierarchy

MOVIE

1. no mention of the relationship, Jordan is only portrayed as a minor character

2. everyone just love his parties, only at the end it is shown that no one shows up for his funeral

3. very action-driven and slightly superficial

4. this is not a critique of the American Dream
