**"Humdrum" Mystery** Curtis Evans,2014-01-10 In 1972 in an attempt to elevate the stature of the crime novel influential crime writer and critic Julian Symons cast numerous Golden Age detective fiction writers into literary perdition as Humdrums condemning their focus on puzzle plots over stylish writing and explorations of character setting and theme This volume explores the works of three prominent British Humdrums Cecil John Charles Street Freeman Wills Crofts and Alfred Walter Stewart revealing their work to be more complex as puzzles and as social documents than Symons allowed By championing the intrinsic merit of these mystery writers the study demonstrates that reintegrating the Humdrums into mystery genre studies provides a fuller understanding of the Golden Age of detective fiction and its aftermath      *Jolly Good Detecting* Bruce Shaw,2013-12-19 This book is an appreciation of selected authors who make extensive use of humor in English detective crime fiction Works using humor as an amelioration of the serious have their heyday in the Golden Age of crime writing but they belong also to a long tradition There is an identifiable lineage of humorous writing in crime fiction that ranges from mild wit to outright farce burlesque even slapstick A mix of entertainment with instruction is a tradition in English letters English crime fiction writers of the era circa 1913 to 1940 were raised in the mainstream literary tradition but turned their skills to detective fiction And they are the humorists of the genre This book is not an exhaustive study but an introduction into the best produced by the most capable and enjoyable authors What the humorists seek is to surprise the reader by overturning their expectations using a repertoire of stylistic conceits and motifs recurring incidents devices references Humor has a liberating effect but is concerned too with comic contrast through ugliness and caricature In crime fiction one effect is intellectual pleasure at solving or attempting to solve a puzzle Another is entertainment but with serious undertones      The Best New True Crime Stories Mitzi Szereto,2022-09-13 Unsolved Crimes Cold Cases and Mysterious Stories Haunting and heartbreaking The Best New True Crime Stories Unsolved Crimes Mysteries lives up to its title and is a must read for true crime aficionados Alex Finlay author of Every Last Fear and The Night Shift This collection of cold cases examines crimes that are dark scary mysterious and still waiting to be solved Unsolved crimes unanswered questions Crimes are meant to be solved But what happens when they re not For the individuals involved from the victims and their families to police investigators this is the most frustrating part of all For them there s no resolution no justice no tidy boxes in which to pack away all the bits and pieces of a puzzle that finally links together Instead they are only left with questions that may never get answered Chilling cold cases unexplained mysteries The Best New True Crime Stories examines a fascinating

assortment of unsolved murders unsolved crimes serial killers and mysterious stories from around the world from the past to the contemporary Like the previous anthologies in The Best New True Crime Stories series this volume contains all new and original nonfiction accounts penned by international writers from across the literary spectrum from true crime and crime fiction to journalism Contributors include Dean Jobb Joan Renner Cathy Pickens Lindsey Danis Anya Wassenberg and many others Inside you ll find A varied assortment of unsolved crimes and mysterious murders Murder cases to solve told by writers from around the world France s Valley of Hell mystery and the story of Austria s most wanted If you like books about murder cases or liked The Book of Cold Cases If You Tell or Unmasked you ll love The Best New True Crime Stories
