Head, Heart, and Hands Listening in Coach Practice Kymberly Dakin-Neal, 2023-07-04 This book is an exploration of intentional listening as an essential skill for coaches It introduces the Head Heart and Hands Listening model as a vital tool to amplify effective listening in coaching practice Accessible and applicable the book explores the three listening modalities of Head Heart and Hands as active though largely unconscious lenses that inform the potency of our listening Dakin Neal argues that once coaches identify how they listen they can assist their clients in more targeted ways to positively impact their personal and professional lives Chapters are divided into the three listening modalities Head Heart and Hands and are filled with case studies stories reflective questions and

exercises from the author's experience to help coaches strengthen their listening skills. The book also includes a comprehensive listening assessment for coaches to use in practice. This book is essential reading for coaches in practice and in training as well as organizational psychologists, HR professionals, and those working within corporations. **Agile Change Management** Melanie Franklin, 2014-03-03. The concept of agile working has been adopted by many organizations that recognize the need to respond quickly and easily to new opportunities and be fit for purpose in a world of complex and continuous change. Combining cutting edge techniques, Agile Change Management offers pioneering tools to ensure your change initiative is embedded, adopted, and delivers benefits throughout the organization. Including examples and best practice advice, it enables you to create your own roadmap consisting of all the processes, activities, and information needed to manage any type of change initiative. By focusing on completing iterative tasks, the roadmap allows you to respond to different needs as they arise, therefore cutting time spent on planning for unnecessary resources. Also including important advice for creating the right environment for change, Agile Change Management is a comprehensive resource for anyone who wants to build the capabilities of an effective change manager. Online supporting resources include PDFs of appendices from the book on change roles, change management documents, change capabilities, a change activity index, and communication activities. Waiting for Jack Kristen Moeller, 2010-04-02. Sharing authentic personal stories and profound life lessons. Kristen Moeller explores our pervasive human tendency to wait for life and to look outside ourselves for answers. What are you waiting for? Do you find yourself waiting for the right moment? The ideal relationship? The perfect job? Are you waiting for your real life to begin? Do think that the gifts of life are right around the corner? That one day you will arrive and everything will be okay? Do you endlessly search yet never seem to find? Through the sharing of authentic personal stories and profound life lessons, Kristen Moeller explores our pervasive human tendency to wait for life and to look outside ourselves for answers. Too often we are waiting for Jack, whatever or whoever Jack is. So we don't try, we give up. We sell out and we forget who we are. We are afraid to succeed, afraid to fail, and afraid to say we are afraid. But as Wayne Gretzky said, "You'll always miss one hundred percent of the shots you don't take." Waiting for Jack will inspire you to get on the path, move forward, and take the shot. And to remember that you don't have to wait for Jack. Refreshingly vulnerable, witty, and wise, Waiting for Jack feels like a conversation with your best friend over coffee. With an honest approach and a take action message, Kristen Moeller motivates readers to make it happen. This book is a special gift. Robyn Spizman, New York Times bestselling author.
