With the Gregg manual, students become proficient at editing business communication through the instruction on grammar, spelling, usage, and have exercises to refine their skills in the accompanying worksheets. In *Happy About My Resume*, Barbara Safani offers 50 tips for creating compelling copy and presenting it in a powerful way to grab the hiring authority's attention and get them to pick up the phone to call you in for an interview. Safani provides practical and easy-to-follow advice as well as numerous samples that show each of her tips in action. The book will help readers learn how to quickly create a resume that is professional, gets them noticed, minimizes the amount of time they spend in a job search, and maximizes their earning power.
