Good Cop, Dead Cop: A Novel about the AfterNet Jennifer Petkus, 2011-04-05 Villains, Victims, and Violets Resa Haile, Tamara R. Bower, 2019-09-15 Modern writers have reconsidered every subject under the sun through the lens of Sherlock Holmes The overlooked subject is agency the opportunities available to these women for independence and control What we find all too often are the silences around them And yet these clients villains victims and Violets are pivotal in the world of Sherlock Holmes Perhaps more enigmatic than Holmes methods is what Watson sees the woman in the shadows Whether lady or lady s maid if she does speak it s often not recorded in her words That was life for half the population of Victorian England A woman s role was written before she was born it merely required her to don the starched white apron of a maid or the rough stained skirts of a char who did the dirtiest of household jobs or the fine silk gowns of a lady Enter Villains Victims and Violets to spy and report on these women in their darkest most vulnerable moments How does Irene Adler pursued by a powerful king and by Sherlock Holmes outwit them both Can Lady Hilda conceal the secret that only Holmes unravels When Violet Hunter takes the last job offered before she loses everything can Holmes free her and her doppelganger To understand Holmes world is to gaze unsparingly into the lives of its women the villains and what drives them astray the victims Holmes races to rescue and the Violets who make up the strongest characters from Holmes unforgettable cases The authors pull back the curtain on their private spaces revealing their proper place in a man s world at the dusk of the 19th century and the dawn of the 20th Foreword by Nisi Shawl noted Sherlockian and the James Tiptree Jr Award winning and Nebula nominated author of the brilliant steampunk feminist Afrofuturist novel Everfair Jane, Actually or Jane Austen's Book Tour Jennifer Petkus, 2013 With the invention of the AfterNet death isn t quite the end to a literary career it once was and Jane Austen the grande dame of English literature is poised for a comeback with the publication of Sandition the book she was writing upon her death in 1817 But how does a disembodied author sign autographs and appear on talk shows With the aid of Mary Crawford a struggling acting student who plays the role of the Regency author who wrote Pride and prejudice and Emma and Sense and sensibility But Austen discovers her second chance at a literary career also gives her a second chance at happiness and possibly even love Page 4 of cover **The Good Cop** Kim Bodnia, Lasse Spang Olsen, 2004 Good Cop - Bad Cop Rebecca H.
