 period in order to orient the reader Dowler then goes on to analyse the aims of education initiatives in each era before
 considering the ways in which Russians experienced education both as students and as teachers Each chapter concludes with
 an assessment of the outcomes and consequences of education policies in the period both the successes and failures as well
 as the impact of education on the cultural social economic and ultimately political environments The chronologically
 arranged book also traces and then summarises underlying key themes like the tension between an open system of education
 and an estate based system the push and pull between utility and the broader goal of human development and the effects of
 centralized authoritarian control that for much of the period limited local initiative and starved the regions of adequate
