The Gospel for a World of Sin Henry Van Dyke, 2015-07-13 Excerpt from The Gospel for a World of Sin A Companion Volume to the Gospel for an Age of Doubt This book is not meant to present a theory of the Atonement On the contrary it is meant to teach that there is no theory broad or deep enough to embrace or explain the fact A sinful world cannot possibly know all that is needed to reconcile it with a holy God Sin itself in its root and in its relations contains a mystery So does love But the Atonement is the work of God's love in its bearing upon man's sin Therefore it must include more than we can explain What Christ did to take away the sin of the world was precisely all that was needed neither more nor less What we know of this need is what we know about the Atonement One man sees one segment of the circle more clearly Another man sees another segment About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
