Sweetie Bee, 2015-08-14 Heaven Is for Real Is Todd Burpo By Sweetie Bee The Truth Shall Set You Free The story of Todd Burpo's son and his visit to heaven is known far and wide It has even become a movie and an international sensation Yet the veracity of the story's details have not been fully examined not until now Is the heart of the Burpo's story a contradiction or inconsistent at best Does each new version of the story question that before it Did Todd Burpo use suggestive language to bring out a child's natural imagination Those are questions for you to ask as you read the author's book The author's intention is not to shame the Burpo family in anyway Instead she seeks to bring light to a story so that readers can make their own determination The author a well versed and practicing Christian uses her study of Forensic Psychology to demonstrate that even though the truth may seem more boring than fiction it is still the truth Is Heaven for Real What is real is not always as it appears

Prius Or Pickup? Marc J. Hetherington, Jonathan Weiler, 2018 What s in your coffee cup Starbucks or Dunkin Donuts Hetherington and Weiler explain how even our smallest choices speak volumes about us especially when it comes to our personalities and our politics Liberals and conservatives seem to occupy different worlds because we have fundamentally different worldviews systems of values which shape our lives and decisions in the most elemental ways If we re to overcome our seemingly intractable differences we must first learn to master the psychological impulses that give rise to them and to understand how politicians manipulate our mindsets for their own benefit

Finding the Narrow Road Brenda Knox, 2019-09-23 Writing this book has been a journey of spiritual and emotional cleansing and healing for me I needed to write it as much for myself as for others My goal was to write this book in a way that points others to Christ It begins where I begin Beginning with the day I was born and up to present day showing how God s hand was on my life through it all I have been transparent about the ugly things that have been done to me and that I have done to myself My desire is to give others the tools to free themselves from Satan s hold and how to remain free I have made some poor choices in my life I want people to know that no matter how far they have walked away from God it only takes one step to come back to Him Many people struggle with feelings of loneliness every day It is my goal to help them see that they are never alone God is always with them and has great love for them So great in fact that He sent His Son to die for them on Calvary When under attack by Satan we can find strength in the Lord More than any other time in history marriages are under attack Divorce rates are skyrocketing I want people to know that freedom is not in divorce but in the Lord and the finished work on the cross at Calvary My heartfelt prayer is that through this devotional others will draw closer to God

1 + 1 = God Michael Pietrzyk, 2017-06-15 What do you do when family and friends doubt the existence of God How do you respond and are your Christian core beliefs on solid ground Mike decided to research the atheist beliefs and confirm his natural belief in God and Jesus Over three years Mike read no less than eighty four books by both Christian and atheist authors and reviewed multiple debates between Christians and atheists In doing so he established his common sense viewpoints that God's wisdom is present in this Universe Mankind Salvation and the Supernatural This book is a compilation of Mike's common sense viewpoints which are simple to understand They are substantiated through the research writings of various Christian authors The main concern of this book is that when your spirit leaves this life you will have eternal happiness in the presence of Jesus Validation of Mike's confirmation is his own supernatural experience of God's protection which was outside the boundaries of science The atheist premise that nothing happens outside the rules of science falls apart with Mike's experience and the experiences of many many others This book is an excellent source not just if you are searching for answers about Christianity and atheism but it's an affirmation that God is love *The Crosses* Katherine King, 2017-07-27 The Crosses By Katherine King During an emergency trip to a hardware store for supplies Kathy finds a metal bucket full of crosses with a handwritten sign that read Free Intrigued by the crosses and a personal opinion that nothing is truly free she investigates The story of the crosses inspires her to write this book Over halfway into writing Kathy learns that the tale she was first told is only a fraction of the truth behind the crosses and she struggles to accept anything different from what she had grown to love and think of as the real story Besides it would be too difficult to change the story's beginning now What was she to do Seek publication of a book based upon false information As the real truth begins to unfold reality takes Kathy's disappointment down a surprising path that will test her faith and obedience to God as it awakens a

revelation that the purpose for this book to be written was not about the person or the story behind the crosses but about miracles that come from sacrifice receiving and giving The Crosses is based on a true beginning that changed and is still changing the lives of many in ways they could never imagine It is a book filled with hope inspiration and faith Kathy King
