Lyons, 2009-12-29 This is a story about a wager between an angel and a demon over the direction a man s life will take All of the stories in this book are based on true events that occurred in the life of the author or in Biblical history There have been many testimonials written that describe the lifestyles that people have been delivered from but very few address the struggles that ordinary Christians face when they begin their walk with God Most people will struggle with the flesh and with wrong attitudes and will not know how to deal with the demons that will come to tempt discourage and oppress them I want people who read this book to be able to identify with some of the struggles faced by the characters and be encouraged that they are not alone in their own personal struggles Salvation is instant but holiness is a lifelong journey that requires constant maintenance checks I want to assure them that God loves them despite their shortcomings and still wants to use them to build His kingdom The purpose of this book is to entertain educate and equip I put the story into a fiction format to attract the average reader who is interested in God angels and demons but doesn t necessarily attend church services I tried to fill the stories with information about God and the benefits of being a Christian I want to make them aware of the demonic forces arrayed against them and teach them about the power that is available to them to combat these forces of darkness There are many scripture references and

Biblical reenactments that should spark curiosity and provoke the reader to further bible study on their own For the serious Bible student there is a wealth of information from the Book of Enoch and the Testament of Solomon Although this is a work of fiction there was a lot of reseach done and the information found in this book can be used to help you make the right decisions in life to protect yourself from demonic entities and to have a more satisfying relationship with God and enjoy the benefits of being in covenant with Him Hell Kyle J.
