of Revision The Making of the Short Fiction John Beall examines in close detail two of the author's vignettes from the first version of *In Our Time* and ten of his short stories with an extensive focus on manuscripts and typescripts as part of a broader examination of how Ernest Hemingway crafted his distinctive prose through a rigorous process of revision The first three chapters discuss the influence of Hemingway's three most important modernist mentors Ezra Pound James Joyce and Gertrude Stein The first chapter focuses on Pound's influence as the editor of the *Inquest* Series of which Hemingway's *In Our Time* was the final publication The second chapter examines the affinities between Joyce's *The Sisters* and Hemingway's *Indian Camp* In particular Beall develops the case for Joyce's influence on Hemingway's decision to revise the story to maintain the reader's focus on young Nick Adams's point of view in his first encounter with death Chapter three explores Hemingway's revisions of *Cat in the Rain* as reflecting the influence of Stein's novellas and sketches as well as that of Joyce's stories and novels The remaining chapters delve into the artistry of Hemingway's extensive revisions in later masterpieces from *Big Two Hearted River* to *Fathers and Sons* Beall's discussion of *Big Two Hearted River* shows that Hemingway's revisions were not simply cuts and omissions but included several paragraphs that he added to slow down the narrative and represent Nick Adams's careful observations of a kingfisher and trout as he watched their shadows on the river The chapter on *The Battler* and *The Killers* explores the extent to which Hemingway's revisions brought racial conflicts to the forefront of each story and portrayed Bugs and Sam as guides for Nick Adams A subsequent reading of the story *Now I Lay Me* shows that in rewriting the story Hemingway developed his portrait of Nick Adams as a writer making up imaginary rivers to cope with the traumas of childhood and war A chapter on *A Way You'll Never Be* focuses on how Hemingway's revisions developed crucial story elements including Nick's interior monologues manic lecture about grasshoppers and wacky sense of humor that showed the character restoring a sense of emotional balance despite his memories of being wounded in World War I Subsequent chapters on *Fathers and Sons* *Indian Camp* *Hills Like White Elephants* *The Gambler* *the Nun* and *the Radio* and the concluding chapter in part focused on drafts of *The Snows of Kilimanjaro* offer new discussions of the author's process of revision based on his manuscripts and typescripts published in the Hemingway Library Edition In the end by drawing attention to the meticulous edits additions and deletions that helped shape these texts Beall reveals how extensively and richly Hemingway revised his drafts while composing some of his most powerful short fiction Hemingway's *Art of Revision* gives a detailed view of a great prose stylist at work

The Impossible Craft Scott Donaldson, 2015-02-23 In *The Impossible Craft* Scott Donaldson explores the rocky territory of literary biography the most difficult that biographers try to navigate Writers are accustomed to controlling the narrative and notoriously opposed to allowing intruders on their turf They make bonfires of their papers encourage others to destroy correspondence write their own autobiographies and appoint family or friends to protect their reputations as official biographers Thomas Hardy went so far as to compose his own life story to be published after his death while falsely assigning authorship to his widow After a brief background sketch of the history of

biography from Greco Roman times to the present Donaldson recounts his experiences in writing biographies of a broad range of twentieth century American writers Ernest Hemingway F Scott Fitzgerald John Cheever Archibald MacLeish Edwin Arlington Robinson Winfield Townley Scott and Charlie Fenton Donaldson provides readers with a highly readable insiders introduction to literary biography He suggests how to conduct interviews and what not to do during the process He offers sound advice about how closely biographers should identify with their subjects He examines the ethical obligations of the biographer who must aim for the truth without unduly or unnecessarily causing discomfort or worse to survivors He shows us why and how misinformation comes into existence and tends to persist over time He describes the mythical ideal biographer an imaginary creature of universal intelligence and myriad talents beyond the reach of any single human being And he suggests how its very impossibility makes the goal of writing a biography that captures the personality of an author a challenge well worth pursuing

Love Disconsoled Timothy P. Jackson, 1999-11-25 Few concepts are more central to ethics than love but none is more subject to false consolation This 1999 book explores several theological philosophical and literary accounts of love focusing on how it relates to matters such as self interest and self sacrifice and invulnerability and immortality Timothy Jackson first considers key aspects of what the Bible says about love then he further examines the meaning of love and sacrifice through a close reading of novels by Fitzgerald and Hemingway Lastly he evaluates how love constrains and is constrained by other traditional moral concepts Throughout Jackson defends the moral priority of what the Christian tradition calls agape He argues that a proper understanding of agapic love rejects both moral relativism and the comfort of believing that good people cannot be harmed or that God causally necessitates every historical action and event When love is thus disconsoled it neither fears death nor despises life

The Great Beyond Philip D. Beidler, 2022-05-03 Many of the touchstones of modernism reflect on death and devastation In Philip D Beidler s exploration of the modernist canon he illuminates how these singular voices looked extinction in the eye and tried to reckon with our finitude and their own The Great Beyond Art in the Age of Annihilation catalogs through lively prose an eclectic selection of artists writers and thinkers In 16 essays Beidler takes nuanced and surprising approaches to well studied figures the haunting sculpture by Saint Gaudens commissioned by Henry Adams for his late wife Luchino Visconti s adaptation of Mann s Death in Venice and the author s own long fascination with Beckett s Waiting for Godot The threads and recurring motifs that emerge through Beidler s analysis bridge the different media genres and timeframes of the works under consideration Protomodernists Crane and Twain connect with near contemporary voices like Sebald and Morrison Robert MacFarlane s 21st century nonfiction about what lies underneath the earth echoes the Furerbunker and the poetry of Gertrud Kolmar In tracing how his subjects confronted nothingness be it personal or global Beidler draws a map of how we see the end of the road

magazines 1934 1935 and decided to revise all the tales into one novel Yet the melding of the three stories along with the intervening story of Richard Gordon created a novel lacking in unity Hemingway even admitted that *To Have and Have Not* was a procedural error Baker xv and his least gratifying book Baker 205 The novel was crafted during a time in Hemingways life that experts describe as an interim period of artistic regression between his better glory days Baker xvi The start of the Spanish Civil War also influenced Hemingways time and focus on the novel in that the main character as an individual comes to share the same fate as the oppressed proletarians of his society Meyers 267 Hemingway worked and reworked with the manuscript even relying on the unbiased editorial eyes of trusted friends Mellow 485 until its final publication by Scribner in 1937 It opened to critical reviews which considered the work to be an anti capitalist stance against the U S government with Marxist undertones and as a novel divided against itself telling multiple stories which just didnt cohere as a single novel Mellow 488 Baker 205 206

CHAPTER OUTLINE

Quicklet on Ernest Hemingway s *To Have and Have Not* About the Book About the Author Overall Summary Chapter by Chapter Summary and much more Ernest Hemingway s *To Have and Have Not* World War I Eugene Edward Beiriger, 2018-11-26 Focusing on the war on the Western and Southern fronts and inclusive of material from all sides of the conflict this book explores the novels and poems of significant soldier writers alongside important contemporary historical documents The literary works of the First World War are one of the richest sources we have for understanding one of the

twentieth century's most significant conflicts. Not only do many of them have historical merit but some were critically acclaimed by both contemporaries and subsequent scholars. For example, Henri Barbusse's *Under Fire*, one of the earliest novels of the war, won accolades in France and the respect of war poets Siegfried Sassoon and Wilfred Owen as well as novelists Erich Maria Remarque and Ernest Hemingway. This book examines these works and those of war poets Rupert Brooke and John McCrae and others, providing context as well as opportunities to explore thematic elements with primary source documents such as diaries, letters, memoirs, newspaper and journal articles, speeches, and government publications. It is unique in its use of literary and historical sources as mediums by which to both better understand the literature of the war and use literature to better understand the war itself.

Literary Feuds Anthony Arthur, 2025-09-23

A submarine's deadliest antagonist is another sub. Some of our most illustrious writers have tried their best to sink their enemies using all the weapons at their command: wit, humor, sarcasm, invective, and the occasional right cross to the jaw. In these eight profiles of quarrels between famous authors, Anthony Arthur draws on a lifetime of reading and teaching their works to describe the feuds as lively duels of strong personalities. Going beyond mere gossip, he provides insights into the issues that provoked the quarrels: Soviet communism, World War II, and the natural tension between the critical and the creative temperaments among them. The result reads like a collection of short stories with the featured authors as their own best characters and having the best lines. For example, Ernest Hemingway on his one-time friend and tutor Gertrude Stein: "Gertrude Stein was never crazy. Gertrude Stein was very lazy." Sinclair Lewis to Theodore Dreiser: "I still say you are a liar and a thief." Mary McCarthy on Lillian Hellman: "every word she writes is a lie, including and and the." These great writers are a quarrelsome bunch indeed, and these true tales of bookish bickering are guaranteed to enlighten and entertain even the most discriminating literature lovers.
