Holy Scripture A Dogmatic Sketch:

Holy Scripture John Webster, 2003-10-23 May we speak in the present age of holy scripture And what validation of that claim can be offered robust enough to hold good for both religious practice and intellectual enquiry John Webster argues that while any understanding of scripture must subject it to proper textual and historical interrogation it is necessary at the same time to acknowledge the special character of scriptural writing His 2003 book is an exercise in Christian dogmatics a loud reaffirmation of the triune God at the heart of a scripture based Christianity But it is written with intellectual rigour by a theologian who understands the currents of modern secular thought and is able to work from them towards a constructive position on biblical authority It will resonate with anyone who has wondered or worried about the grounds on which we may validly regard the Bible as God's direct communication with humanity

The Oxford Handbook of Karl Barth Paul Dafydd Jones, Paul T. Nimmo, 2019 The Oxford Handbook of Karl Barth is an expansive guide to Barth's work Comprising over forty original chapters each of which is written by an expert in the field the handbook provides rich analysis of Barth's life and context

The Lord and Giver of Life David Hadley Jensen, 2008-01-01 In this exciting collection an array of contemporary theologians reflect on the work of the Holy Spirit in relation to some of the world's most pressing issues and problems Offering a corrective to disembodied discussions of the Spirit this book provides a look at the Holy Spirit set loose and sustaining the gift and struggle for life in the midst of today's troubled world Among other topics the contributors examine the Spirit's activity in the reading of Scripture the reality of religious pluralism the growing ecological crisis the rise of consumerism and issues of empire Contributors include John B Cobb Jr Roger Haight SJ Barbara A Holmes David H Jensen Molly T Marshall Sallie McFague Amy Plantinga Pauw Joerg Rieger Eugene F Rogers Jr and Amos Yong

Law and Theology David W. Opderbeck, 2019-11-05 Law and Theology offers the definitive account of the relationship between law and theology in the Christian tradition Drawing on diverse biblical texts and classic authors from the early church to contemporary voices from the modern period David W Opderbeck examines key legal questions and controversial case studies from an interdisciplinary perspective breaking new ground for legal scholars and theologians alike As a law professor practicing attorney and theologian Opderbeck writes as an insider from both disciplines This unique look brings fresh insight for both fields in a context where questions of theology and law are especially relevant and increasingly urgent Going beyond the culture wars Opderbeck brings these real world cases to life examining the ins and outs of the most important legal questions facing American civic and religious life Scholars and students of law and theology will find this book to be required reading in and outside the legal and theological classrooms

Inspiration Gerald O'Collins, 2018-06-27 Inspiration Towards a Christian Interpretation of Biblical Inspiration anchors its study of inspiration firmly in the Scriptures and examines the inspired nature of the Bible and its inspiring impact Gerald O Collins begins by examining classical view of inspiration expounded by Karl Barth and Raymond Collins He takes up the inspired origin of the Old Testament where earlier books

helped to inspire later books before moving to the New Testament which throughout shows the inspiring impact of the inherited Scriptures both in direct citations and in many echoes The work then investigates the Bible's inspiring influence on Christian worship preaching teaching the visual arts literature and life After a chapter that clarifies the interrelationship between divine revelation tradition and inspiration two chapters expound ten characteristics of biblical inspiration with special emphasis on the inspiring quality of the Bible O Collins explains a major consequence of inspiration biblical truth and the grounds on which the Church canonized the Scriptures After spelling out three approaches to biblical interpretation the authorial intention the role of readers and the primacy of the text itself the book ends by setting out ten principles for engaging theologically with the Scriptures An epilogue highlights two achievements of the book By carefully distinguishing inspiration from divine revelation and biblical truth it can deliver readers from false problems This work also underlines the inspiring effects of the Scriptures as part of the Holy Spirit's work of inspiration

The Heart of Dogmatics Bruce R. Pass, 2020-11-16 The christocentric character of Herman Bavinck's thought has long been acknowledged but an analysis of Bavinck's christocentrism has not been forthcoming The Heart of Dogmatics redresses this situation offering a comprehensive study of Bavinck's concept of a christocentric theological system Building on the more recent secondary literature Pass draws attention to many unexplored avenues in Bavinck's writings In particular Pass sheds light on the intimate connection between Bavinck's christocentrism and his organicism Delving deeply into Bavinck's appropriation of Reformed Orthodoxy and German Idealism Pass presents a compelling account of this thinker's attempt to establish Neo Calvinism as a modern orthodoxy By way of conclusion pertinent ways in which Bavinck's christocentrism may prove a useful resource for contemporary projects of theological retrieval are explored in a comparison of Bavinck and John Webster

God's Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today

THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place

ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

The Imago Dei as Human Identity

Ryan S. Peterson, 2016-01-28 Theologians and Old Testament scholars have been at odds with respect to the best interpretation of the imago Dei Theologians have preferred substantialistic e.g. image as soul or mind or relational interpretations e.g. image as relational personhood and Old Testament scholars have preferred functional interpretations e.g. image as kingly dominion The disagreements revolve around a number of exegetical questions How do we best read Genesis 1 in its literary historical and cultural contexts How should it be read theologically How should we read Genesis 1 as a canonical text This book charts a path through these disagreements by offering a dogmatically coherent and exegetically sound canonical interpretation of the image of God Peterson argues that the fundamental claim of Genesis 1:26-28 is that humanity is created to image God actively in the world Made in the image of God is an identity claim As such it tells us about humanity's relationship with God and the rest of creation what humanity does in the world and what humanity is to become Understanding the imago Dei as human identity has the further advantage of illuminating humanity's ontology Canonically knowledge of the contours and purpose of human existence develops alongside God's self-revelation Tracing this development Peterson demonstrates the coherence of the OT and NT texts that refer to the image of God In the NT Jesus Christ is understood as the realization of God's image in the world and therefore the fulfillment of the description of humanity's identity in Genesis 1 In addition to its specific focus on resolving interdisciplinary tensions for Christian interpretation of the imago Dei the argument of the book has important implications for ethics the doctrine of sin and the doctrine of revelation

Reformed Theology

Martha L. Moore-Keish, 2020-06-22 This research guide introduces scholars to the field of Reformed theology focusing on works of the twentieth and twenty-first centuries in the English language After a brief introductory section on the debates about what counts as Reformed theology Martha Moore-Keish explores twenty-one major theological themes with attention to classical as well as current works The author demonstrates that this stream of Protestantism is both internally diverse and ecumenically

interwoven with other Christian families not just a single clearly defined group set apart from others In addition this guide shows that contemporary Reformed theology has been rethinking the doctrines of God humanity and their relationship in significant ways that challenge old stereotypes and offer fresh wisdom for our world today **Ex Auditu - Volume 30** Klyne Snodgrass,2015-05-20 Contents Announcement of the 2015 Symposium Abbreviations Introduction Klyne Snodgrass The Long Shadow of Augustine John E Phelan Jr Response to Phelan Rebekah A Eklund Wisdom s Response to the Divine Initiative Tremper Longman III Response to Longman James K Bruckner Which Humans What Response A Reflection on Pauline Theology Beverly Roberts Gaventa Response to Gaventa Nicholas Perrin On Law and the Noachic Covenant Can the Judge of the Whole World Not Himself Do Justice Genesis 18 25 Jodie Boyer Hatlem The Biblical Noah Darren Aronofsky s Film Noah and Viewer Response to Noah The Complex Task of Responding to God s Initiative Robert K Johnston Response to Johnston Paul Scott Wilson Corinth Calvin and Calcutta Trinity Trafficking and Transformation of Theologia Paul C H Lim Response to Lim Jonathan M Wilson Here Am I Moses and the Meaning of our Bodies Brian Bantum Transcripts of the Trinity Reading the Bible in the Presence of God Cheryl Bridges Johns Living Water in John 4 7 30 Paul Scott Wilson Annotated Bibliography on the Human Response to the Divine Initiative Presenters and Respondents Ex Auditu Volumes Available

Biblical Hermeneutics Stanley E. Porter,Beth M. Stovell,2012-04-25 This book presents proponents of five approaches to biblical hermeneutics and allows them to respond to each other The five approaches are the historical critical grammatical Craig Blomberg redemptive historical Richard Gaffin literary postmodern Scott Spencer canonical Robert Wall and philosophical theological Merold Westphal views **1 & 2 Peter (Brazos Theological Commentary on the Bible)**

Douglas Harink,2009-11-01 This addition to the well received Brazos Theological Commentary on the Bible offers a theological exegesis of 1 2 Peter This commentary like each in the series is designed to serve the church through aid in preaching teaching study groups and so forth and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible The Brazos Theological Commentary exists to provide an accessible authority so that the preacher s application will be a ready bandage for all the hurts of life The Brazos Commentary offers just the right level of light to make illuminating the word the joy it was meant to be Calvin Miller author of A Hunger for the Holy and Loving God Up Close **Divine Eloquence and Human Transformation** Ben Fulford,2013-07-01 Key to a theology of scripture

are the important issues of history consciousness rhetoric and how theology functions in relation to interpretation of Christianity s religious texts Seeking to address a critical problem in theology and the interpretation of scripture raised by modern historical consciousness Ben Fulford argues for a densely historical and theological reading of scripture centered in a Christological rubric The argument herein uncovers a figural pattern of divine action and presence in the sacred texts Tracing the problem through the modern theological heritage the author turns to a comparative account of theologically patterned reading represented by patristic theology in Gregory of Nazianzus and postliberal theology in its pivotal founder

Hans Frei The book addresses the challenge of historicity and historical consciousness argues for the relevance of pre modern approaches to scripture and offers a fresh and extensive account of two salient figures from the early and contemporary tradition thus enacting a theology of retrieval as a resource on a present issue of vital importance *Union with Christ in the New Testament* Grant Macaskill,2013-11 In conversation with historical and systematic theology Macaskill argues that the union between God and his people is consistently represented by the New Testament authors as covenantal with the participation of believers in the life of God specifically mediated by Jesus the covenant Messiah **Theology as Retrieval** W. David Buschart,Kent Eilers,2015-04-15 Buschart and Eilers identify six critical areas Scripture theology worship spirituality mission and culture where contemporary Christians are retrieving aspects of our Christian past for life and thought today The result is a fascinating tour and wise reflection on how Christians might receive employ and transmit the treasures of their past **Acts of God in History** Roland Deines,2013-11-13 10 of 11 contributions were published previously 4 in German 6 in English **A Theology of Preaching and Dialectic** Aaron P. Edwards,2018-07-12 How does the preacher know what God might say now based upon the many things God said then Preachers and theologians throughout Christian history have grappled with Scripture s diverse emphases alongside the urgent task of declaring the authoritative Word of God in the contemporary pulpit Aaron Edwards offers a new way of engaging with this problem by exploring the theological relationship between biblical dialectics and heraldic proclamation Edwards highlights the theological necessity of dialectical variety without forfeiting assertiveness in the prophetic moment of preaching A vast array of key voices from the theological tradition are drawn upon including Augustine Aquinas Eckhart Luther Calvin Hegel Kierkegaard Chesterton Barth Bultmann Tillich Ebeling and others to navigate the connection between Scriptural unity clarity and paradoxical plurivocality leading to a nuanced account of dialectic Applying this to the homiletically neglected concept of heraldic confidence in preaching Edwards examines the theological possibility of preaching in light of dialectical complexity via its prophetic dimension He shows how the uniquely revelatory relationship of Word and Spirit enables Scriptural illumination prophetic discernment and dialectical decisiveness in the momentary encounter which undergirds all Christian proclamation Trinity, Revelation, and Reading Scott R. Swain,2011-09-15 Trinity Revelation and Reading TRR is a theological introduction to the Bible and biblical interpretation The overarching thesis is that neither the Bible nor biblical hermeneutics can be understood or practiced properly apart from an appreciation of their relationship to the triune God and his gracious economy of redemption Scott Swain treats the role of the Word in the saving economy of the triune God the role and status of Scripture as the Word of God the nature of biblical reading as a covenantal enterprise as well as a host of other related topics These topics are addressed by way of a constructive appropriation or ressourcement of many of the themes of patristic theology and early Protestant divinity esp Reformed Orthodoxy while building upon the work of important contemporary theologians as well e g Karl Barth John Webster Kevin Vanhoozer The ultimate goal of this study is that

readers will appreciate better the ways in which biblical interpretation is an aspect of their covenantal engagement with the triune God *Living Theodrama* Wesley Vander Lugt, 2016-05-13 *Living Theodrama* is a fresh creative introduction to theological ethics Offering an imaginative approach through dialogue with theatrical theory and practice Vander Lugt demonstrates a new way to integrate actor oriented and action oriented approaches to Christian ethics within a comprehensive theodramatic model This model affirms that life is a drama performed in the company of God and others providing rich metaphors for relating theology to everyday formation and performance in this drama Different chapters explore the role of the triune God Scripture tradition the church mission and context in the process of formation and performance thus dealing separately with major themes in theological ethics while incorporating them within an overarching model This book contains not only a fruitful exchange between theological ethics and theatre but it also presents a promising method for interdisciplinary dialogue between theology and the arts that will be valuable for students and practitioners across many different fields
