Honcho Magazine:

Murder Most Vital K. Lyn Kennedy, 2019-07-07 So the doctor is known for his hot temper That doesn't mean someone wants him dead does it Gary Turner can be a bit scattered when he isn't focused on his cardiology practice The doctor is persistent however and begged his best friend Gordy Baxter to open a bed and breakfast as a side venture to their medical careers After trying to convince Gary that it was a bad idea Gordy reluctantly agreed Before they opened the doors to their latest venture the two best friends decided to take a well deserved cruise Gary pestered the head of the cruise line for three days to let him test his interesting pancake flavors on fellow cruisers His persistence paid off as it usually did and he was unofficially named the breakfast sous chef The week long cruise is fun but breakfast isn't the only thing on Gary's mind It seems that a murderer has joined them on their seafaring vacation It's no secret that Gary has a hot temper but does someone want him dead When more than one body is found Gary fears he could be next and he's ready to jump ship and swim back to shore
