Christakis,2016 Parents of young children today are in crisis pick the wrong preschool and your child won't get into the right college Christakis believes we have confused schooling with learning children are hardwired to learn in any setting but they punch below their weight when learning is defined by strict lessons and dodgy metrics that devalue a child's intelligence

Here she explores what it's like to be a young child in America today in a world designed by and for adults *New*
