House Cleaning Guide : 70+ Top Natural House Cleaning Hacks Exposed The Blokehead,2015-06-30 I want to thank you for checking out the the book *House Cleaning Guide 70 Top Natural House Cleaning Hacks Ex posed* As another home owner you might also be looking for ideas to help revolutionize the way that you take care of your home The ideas in this book represent some of the most popular suggestions on many hack sites that aim to empower home owners This book is divided into six chapters each chapter deals with a simple substance found within your home that can be used in a myriad of cleaning applications And as the title indicates you will find more than 70 unique ideas to help make cleaning easier for you

How to Become a Cleaning Pro Darlene Phillips,2020-01-13 This comprehensive guide gives you all the information you need in order to start a house cleaning service and operate it successfully House cleaning for hire can be an excellent way to make a living if you ve got the ability to clean the drive to succeed and believe that cleaning for hours on end isn t a bad way to spend your days I ve been a self employed house cleaner for 30 years and I ll tell you right up front that cleaning as a job is hard work Starting a house cleaning business however couldn t be easier The first chapter of this guide tells you what you need to know in order to make a solidly based decision as to whether or not you ve got what it takes to run your own house cleaning business A house cleaner should know how to do more than clean many other skills and traits are required Like any job there are pros and cons associated with being a self employed house cleaner In chapter two I ll give you a straight forward overview of each In chapter three I will give you an insider s perspective of a typical day in the life so you can get a clearer picture of whether house cleaning as a profession is for you Cleaning for pay is a little different than

cleaning your own home because you have to be able to work to someone else's standards. This means you have to figure out what the client wants and then deliver the goods. Sounds easy but it isn't always as easy as it sounds. I will walk you through the ins and outs of planning your business in chapter four. Things like figuring out where to advertise, deciding where you want to work, calculating what to charge new clients, and determining whether to bring your own supplies or use the clients' are all factors you'll want to think about. You should also have a basic understanding of the tax implications of self-employment as well as considerations such as purchasing insurance. I'll help you figure out what services to offer new clients and guide you as you make a master list so you'll be prepared for your first estimate. I'll advise you about the typical chores a house cleaner performs. I'll also give you some pointers about how long typical cleaning tasks should take. In chapter five, I'll give you advice about launching your business, including advertising and handling job leads in response to your ad campaign. I'll give you advice about how to handle estimates and what to expect when you meet with prospective clients for the first time. Once you land some cleaning jobs, chapter six gets you on track with running your business. This chapter gives instructions about record keeping and how to actually clean a house. I also offer advice about a code of conduct while working in people's homes based on actual feedback I've received from the many people for whom I've worked over the years. Clients appreciate having a house cleaner who behaves in a professional manner. Chapter seven gives an overview of the cleaning supplies that you'll be using on the job. Cleaning pros are expected to know about and understand how to use a wide variety of cleaning agents, cleaning tools, mops, brooms, vacuum cleaners, etc. This section will arm you with a solid base of knowledge in this area. Chapter eight walks you through the process of deep cleaning a house along with instructions for many special jobs that you might encounter as a cleaning professional, and chapter nine gives an overview of laundry and fabric care. In chapter ten, I will share with you some of the on-the-job experiences I've had so that you can learn from them. The final section of this guide contains bonus materials including housekeeping hints, cleaning checklists, recipes for home-made cleaners, and a sample estimate sheet to help you figure out what to charge customers. Cleaning professionally is a profitable way to earn a living and it can be satisfying as well. This book equips you with everything you need to know to succeed as a cleaning pro.

The Complete Guide to Eco-Friendly House Cleaning Anne Kocsis, 2010. For many years throughout the 20th Century, the conveniences of household cleaning items was such that no one asked where they came from or what they contained. Today, the consciousness of many consumers has started to advance due to ongoing environmental and economic concerns. For that reason, dozens of new products have developed on the market from Simple Green to Seventh Generation. In addition to these green-conscious products, though, there are hundreds of ways you can change your house cleaning and maintenance to be eco-friendly, even making your own cleaning materials out of everyday items that have zero environmental impact. This book will guide you through the process of both recognizing and utilizing the most advanced eco-friendly house cleaning technology around, as well as tried and true cleaning methods that have been

around for centuries You will learn all the necessities of green cleaning basics starting with what your current cleaning products do to the environment your home and even your health You will learn the necessary steps you need to take to transition your kitchen to green products as well as your bathroom laundry bedroom and even the lights you use around your home Learn how you can start using products that have been around for centuries and have since been forgotten in favor of dangerous chemicals Learn what you can do to clean up after your pets efficiently and how to keep your children safe from chemicals Learn which mixtures work which ones are unsafe and what resources you can check for additional details you may need Dozens of experts on green cleaning have been interviewed for this book providing everything needed by any individual who wants to start changing how they clean their home for good Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed
