Vision of Paradise Volume 1 presents the idea that a human Soul possessing Spirit Being a gated unmodulated potential carrier of light who is unaware of the Divine Plan is not yet considered enlightened To be enlightened one must be a Soul possessing Spirit gated and modulated Being or an enlightened aware of the engraved Image and Beauty of God within Soul possessing Spirit gated modulated carrier a Light being To be an enlightened being you are aware that you are aware that you are a manifestation of God able to reflect as in an image Second you have the knowingness that God does what He Wills and as He Pleases In other words you are His design and no matter what all paths lead to God Whatever one may be doing will eventually lead to the process of enlightenment The only question remaining is how do you choose to make your journey Swift and smooth or slow and harsh One dot of light is a symbol used to represent the whole of Creation Within this dot of light everything that is unmanifested and manifested hidden and seen far and near is contained as an ever present potential in transit expanding and transcending over time into unified fields of a the Spirit of slow collapsing gating systems Infinite points of entry are assembled into structures with forms and functions that translate information into systems of intelligent life and more male and female human pairings as eternal companions that vibrate in a definite pattern of Light The King and the Castle Frank Scott,Nisa Montie,2015-12-16 My name is Impetuous It is time to start your journey for your kingdom and castle declared the unicorn tossing his brilliant head and mane Leon was confused had he really asked for this How do you propose we do that Jump on my back When Prince Leon flies to a new land with the turquoise unicorn Impetuous love lands in his path in the form of the mysterious woman named Lily Could she be his queen for eternity *Return to Paradise* Frank Scott,Nisa Montie,2015-12-11 The Professor will be so happy We have proven that the Virtues really do work to create Return to Paradise Happy the Bluebird chattered excitedly If Happy and Bright Wings the Cardinal could have seen just behind their backs they would have noticed that inside each of their backpacks was a glowing Virtue stone Bright and steady as a star each stone shone with the word Wonder Thank you God Professor Tortoise whispered to herself Then she looked out the window saying Thank you Happy and Bright Wings to the two birds as they flew in through the window of her office for the Virtue Mission accomplished Time for a party exclaimed Happy Good idea said Bright Wings Professor Tortoise do you happen to have a bowl of water around I am quite thirsty Here you go A big bowl of sparkling clear water for both of you Lets celebrate Return to Paradise said the beaming Professor So they did *The Simulator* Frank Scott,Nisa Montie,2015-12-16 It is impossible to detect the Simulator unless you are able to get out of its box that contains you Difficult to perceive it hides in subtlety a layering that is superposed in such a manner that ones senses catch only that which becomes uploaded to the brain and converted into a mind world construct the reality we experience from moment to moment It is impossible to understand for the instrument itself the mind is found within its precinct Detection of the Simulator the main program running everything the Dream outside the entitys dream occurs as an act that delineates each level of the Simulators layered embedded and superposed components through the entitys Soul based state of awareness This process is accomplished

through the Creators inscrutable and mysterious Will and Pleasure More specifically in order for the entity known as human to qualify or graduate from one level of awareness to the next the entity in the role of a male or female must fully surrender within his or her heart to the All Knowing **Echoes of a Vision of Paradise Volume 2** Frank Scott,Nisa Montie,2015-12-16 Volume 2 This ascension may be greatly accelerated when accomplished in a divine relationship an eternal companionship created originally by God between the two Soul possessing Spirit beings in the beginning that has no beginning The path to eternal companionship begins with two individuals in the role of a man and a woman following whatever script costumes and props he or she may be using in the theater of life To simplify the journey as we search for the Truth the individual regardless of roles and scripts costumes and props must remember and return to his or her Higher Self the human Soul possessing Spirit gated and modulated being s state the fifth dimension of awareness The individual must detach himself or herself from the ascribed value system that has been applied up until then in life It is God the Creator who brings the shifts in our conscious awareness and the blessings of the Spirit imperceptible fields of activities at first that are continuously expressed in daily life opportunities or concepts that bring closure to a project recoveries from illnesses the finding of one s way in difficult situations and conflict resolutions when all appears lost Andy Ant and Beatrice Bee Frank Scott,Nisa Montie,2015-11-13 When Andy Ant is walking through the forest he finds a bee who has a hurt wing and cannot fly By practicing compassion Andy makes a new friend and his ant colony receives a surprise reward from Beatrice Bees hive mates **Modulation on the Stand-Alone Scalar Carrier Wave** Frank Scott,Nisa Montie,2018-03-02 Key points of view are brought to the forefront illuminating the way to Remembering your Higher Self as you begin to Return And before you know it the flight nears its destination You begin your descent into this New City where you can begin anew Life charged with the Intelligence of a Being of Light with the Knowingness and Lovingness of a servant of God We pray and hope that as the Spirit of this series resonate through this volume deep within you your carrier wave will in return vibrate the melody encoded in the message of a new Love shared May you experience that Joy now and forever Salutations **Oneness of Being and Manifestation** Frank Scott,Nisa Montie,2018-10-05 When the Heart is Restored and made like a newly born babe free from the encumbrances of all previous detrimental and injurious spiritual occurrences and their effects the travelers through worlds of Life and Intelligence are made anew knowing when they need to know The traveler s understanding has shifted to his or her heavenly awareness with the information that redirects one s actions in strict conformity with the rulings of an eternal domain These edicts or pronouncements protect each entity within his or her newly re gained original station as a divine creature and servant of God **The Language of Love** Frank Scott,Nisa Montie,2018-03-02 These mini plays are designed to be used in a fun interactive way The characters may be acted out live or the black and white figures following each English and Spanish lesson leccin may be cut out and colored and attached to construction paper and mounted on craft sticks to produce puppet plays Use your imagination change names of characters to

fit the people acting them out and even write your own plays illustrating moral and ethical qualities that are good for us humans to practice Enjoy the process as you and we all make our ways closer to God's dream of perfection for each of us A

Being of Light: God's Will and Pleasure Frank Scott, Nisa Montie, 2016-08-04 It is important to understand that the Simulator exists to be experienced Vis a Vis that which is experienced exists as appearances and names Yet we know that all that is experienced is not real and there is a lot more that exists that remains unexperienced Moreover in order to experience anything the entity must be consciously aware of that which exists and is real and since there is much more within the Simulator that remains hidden and unseen there must be a Source that is Aware and is the First Cause of its existence for it to exist and be experienced and that Source we call God Additionally in order for a state of conscious awareness in an entity known as human by agreement to exist and be Self aware because it exists and is real there must be a God that exists and is real that is both Aware and is Source of that state of heart and mind for it to exist and be experienced Furthermore in order for the experience of existence to occur and be experienced there must be a God that is Source of all that was is and will be for what is known as Creation for that to exist be real and be experienced For all this to be what it is there must be a purpose a direction and a significance that all entities need to explore and discover acknowledge and accept appreciate and Remember its Cause in order to Return and experience the Source God **Katie Caterpillar Finds Her Song** Frank Scott, Nisa Montie, 2015-12-15 I wish I knew my song to sing Then I would know who I am and that special gift I have to share here on Mother Earth I know I'll go around to my Nature friends and listen to their songs too Maybe a memory will be sparked and I'll remember mine Katie Caterpillar listens to Pamela Pine Tree Tommy Turtle Felicia Fawn and Bright Eyes the Eagle sing their songs until Mother Nature gives her a chrysalis Thank you God that I came to be my Self changed from a worm to butterfly Bee and Fairy Power Frank Scott, Nisa Montie, 2015-12-23 Who are you and why have you entered my dream space Donya asked I am a bee from planet Earth and my name is Ben He circled around and chanted S O S S O S The bees are dying The pollen is poisoned with chemicals and the genetic code of the plants has been modified so that they no longer are nourishing to All Life Earth Mother's skin the soil is cracked and dead If we cannot pollinate the plants not enough plants will grow to feed the animals and the humans Life on Mother Earth will cease as we know it The humans won't have food I'll help you Ben the Bee Startling himself fully awake as he spoke out loud Donya looked around Whoa Manny you'll never guess who came into my dream space Manny rustled his leaves and rumbled deep within his trunk Was it Ben the Bee Echoes of a Vision of Paradise Volume 3 Frank Scott, Nisa Montie, 2015-12-16 Volume 3 We wonder how a creature can sense the presence of the Creator Can someone so far removed truly be so near Is there a way to become cognizant of God's imprint in His creature how He makes Himself known and established in heart and mind What would happen if that nearness were possible The answer is found in the following statement I am aware that I am aware that I can find a clear appearance of God His image and beauty in my Soul To realize and thus to Know and understand comes from a shift in how we treat our

inner Selves a change of heart core and essence We thus come to comprehend that we were created to manifest the Creator using attributes that express and attest to that station From time to time a Manifestation of the Creator comes to town that is in human form upon the Earth He dispenses the information required for changes that sets the stage for the way we should live modifications in the collective and individual design Our mind world sense perceived constructs run contrary to life and are lacking the ingredients for a complete delivery of both a successful collective narrative within our planetary system of intelligent life and as individuals the changes that bring about enlightenment and the love of the Creator the Dreamer A *Mystic Knower's Sojourn in a World of Time* Frank Scott,Nisa Montie,2018-11-19 This modern day mystic knower s written essence of a lifetime is a prelude to the twenty five books coauthored with his eternal companion over the last five years Composed of personal unusual and miraculous events these experiences serve to open our eyes to the nature and purpose of the workshop we call creation a simulator only of the eternal domain of perfections toward which we should set our sights Read this book to find out where the soul and the spirit s compass points are or risk not remembering and returning to endless worlds of time Oneness from within and from without is at hand reach for it and a flawed world becomes paradise
