How Australia Decides Election Reporting And The Media:

How Australia Decides Sally Young, 2011-02-14 In recent years the Australian media have come under fire for their reporting of politics and election campaigns Political reporting is said to be too influenced by commercial concerns too obsessed with gossip and scandal and too focused on trivia and sound bites at the expense of serious issues There are accusations of bias sensationalism lazy journalism and horse race reporting that is obsessed with opinion polls *How Australia Decides* is the first book to put these allegations to the test Based on a four year empirical study Sally Young reports the results of the only systematic historical and in depth analysis of Australian election reporting This groundbreaking book shows how election reporting has changed over time and how political news audiences news production and shifts in political campaigning are influencing media content with profound implications for Australian democracy

How Australia Decides Sally Ann Young, 2011 Puts allegations over the Australian media's recent reporting of politics and election campaigns to the test

Politics, Media and Democracy in Australia Brian McNair, Terry Flew, Stephen Harrington, Adam Swift, 2017-02-10 In Australia as in many comparable democracies the role of the media in the political process is high on the public agenda There is a perception of widespread disillusionment with and disengagement from politics amongst voters and criticism of the media for failing to fulfil their democratic responsibilities adequately This book evaluates public perceptions of the performance of the political media in the context of the declared aims and objectives of media producers From there the authors present findings for improving the capacity of political media to engage and inform their audiences in ways which enhance the quality and popular legitimacy of the democratic process These conclusions are of import not only to Australians but to observers of mediated politics in the UK the US and other countries where similar debates around the crisis of public communication are on going

Australian Political Institutions Gwynneth Singleton, Don Aitkin, Brian Jinks, John Warhurst, 2012-11-07 *Australian Political Institutions* 10e introduces students to the structure and organisation of the institutions and functions of government in Australia with reference to contemporary issues and debates A lot has changed in recent times in the Australian political environment Finally there is a text that incorporates all these important changes As an introduction to the principles of political science the text provides an analysis of key issues in the Australian political system in a clear and concise manner This new tenth edition retains its core focus on the Australian political system but also includes expanded comparative analysis of the similarities and differences in the structure and operation of political institutions in other countries which students can use to consider the strengths and weaknesses of the Australian political system and whether it could be improved

The SAGE Encyclopedia of Journalism Gregory A. Borchard, 2022-01-28 Journalism permeates our lives and shapes our thoughts in ways that we have long taken for granted This set covers all significant dimensions of journalism such as print broadcast and Internet journalism U S and international perspectives and history technology legal issues and court cases ownership and economics The encyclopedia consists of signed entries from

scholars experts and journalists **Politics, Media and Campaign Language** Stephanie Brookes,2017-04-03
SpanAcknowledgements Epigraph 1 Introduction 2 Storytelling 3 Belonging 4 Values 5 Community 6 Security 7 Vision 8
Hearts and Minds Appendices References Index span **Opinion Polls and the Media** C. Holtz-Bacha,J.
Strömbäck,2012-04-05 Opinion Polls and the Media provides the most comprehensive analysis to date on the relationship
between the media opinion polls and public opinion Looking at the extent to which the media through their use of opinion
polls both reflect and shape public opinion it brings together a team of leading scholars and analyzes theoretical and
methodological approaches to the media and their use of opinion polls The contributors explore how the media use opinion
polls in a range of countries across the world and analyze the effects and uses of opinion polls by the public as well as
political actors British Media Coverage of the Press Reform Debate Binakuromo Ogbemor,2020-07-30 This open access
book provides a detailed exploration of the British media coverage of the press reform debate that arose from the News of
the World phone hacking scandal and the Leveson Inquiry Gathering data from a content analysis of 870 news articles
Ogbemor shows how journalists cover debates on media policy and illustrates the impact of their coverage on democracy
Through this analysis the book contributes to knowledge of paradigm repair strategies public sphere gatekeeping theory the
concept of journalism as an interpretive community political economy of the press as well as the neoliberal and social
democratic interpretations of press freedom Providing insight into factors inhibiting and aiding the role of the news media as
a democratic public sphere it will be a valuable resource for the press media reform activists members of the public and
academics in the fields of journalism politics and law Asylum Seekers in Australian News Media Ashleigh
Haw,2023-01-01 This book sheds light on how the public engage with make sense of and discursively evaluate news media
constructions of people from asylum seeking backgrounds As a case study the author discusses her recent research
combining Critical Discourse Analysis with a cultural studies Audience Reception framework to examine the perspectives of
24 Western Australians who took part in semi structured interviews During their interviews participants were asked open
ended questions about their general views on people seeking asylum including Australia s policy responses their media
engagement habits and preferences and their views concerning how the Australian media represents people seeking asylum
The author compares and contrasts this research with broader interdisciplinary discussion and the book will therefore appeal
to students and scholars of migration political communication sociology audience reception critical media studies and
sociolinguistics *Electoral Democracy* Joo-Cheong Tham,Brian Costar,Graeme Orr,2011-06-15 A healthy democracy relies
on a healthy electoral system Are the ways we run elections and political parties adapting to contemporary challenges and
learning from international experience Drawing together leading political scientists and legal scholars Electoral Democracy
examines pressing debates about the regulation of political finance parties and representation in Australia It does so by
testing the system and reform proposals against three fundamental and sometimes conflicting values political equality liberty

and integrity This book will inform and provoke all who take part in and care about Australia's electoral democracy

Australian Politics in the Twenty-First Century Stewart Jackson, Joff Lelliott, Shannon Brincat, Josephine Bourne, Nick Economou, 2022-09-02 The global political environment in the twenty first century is proving dynamic and challenging for Australian policymakers and political institutions Australian Politics in the Twenty first Century contextualises the Australian political landscape through an institutional lens It examines the legislative and judicial bodies minor parties lobby groups the media and the citizenry providing historical and contemporary facts explaining political issues and examining new challenges The second edition has been updated to reflect the application of political theories in today's civic environment New spotlight boxes highlight issues including marriage equality COVID 19 and federalism the inclusion of First Nations peoples in the political system and gender equality in public policy Short answer reflection research and discussion questions encourage students to test and extend their knowledge of each topic and to clearly link theory to practice Written in an accessible and engaging style Australian Politics in the Twenty First Century is an invaluable introduction to the Australian political system

Social Media and Everyday Politics Tim Highfield, 2017-06-26 From selfies and memes to hashtags and parodies social media are used for mundane and personal expressions of political commentary engagement and participation The coverage of politics reflects the social mediation of everyday life where individual experiences and thoughts are documented and shared online In Social Media and Everyday Politics Tim Highfield examines political talk as everyday occurrences on Twitter Facebook blogs Tumblr Instagram and more He considers the personal and the political the serious and the silly and the everyday within the extraordinary as politics arises from seemingly banal and irreverent topics The analysis features international examples and evolving practices from French blogs to Vines from Australia via the Arab Spring Occupy Jesuscharlie Eurovision blacklivesmatter Everyday Sexism and illridewithyou This timely book will be a valuable resource for students and scholars in media and communications internet studies and political science as well as general readers keen to understand our contemporary media and political contexts

Reporting Elections Stephen Cushion, Richard Thomas, 2018-03-02 How elections are reported has important implications for the health of democracy and informed citizenship But how informative are the news media during campaigns What kind of logic do they follow How well do they serve citizens? Based on original research as well as the most comprehensive assessment of election studies to date Cushion and Thomas examine how campaigns are reported in many advanced Western democracies In doing so they engage with debates about the mediatization of politics media systems information environments media ownership regulation political news horserace journalism objectivity impartiality agenda setting and the relationship between media and democracy more generally Focusing on the most recent US and UK election campaigns they consider how the logic of election coverage could be rethought in ways that better serve the democratic needs of citizens Above all they argue that election reporting should be driven by a public logic where the agenda of voters takes centre stage in the campaign and the policies of respective political

parties receive more airtime and independent scrutiny The book is essential reading for scholars and students in political communication and journalism studies political science media and communication studies

Investigative Journalism, Democracy and the Digital Age Andrea Carson, 2019-07-01 Theoretically grounded and using quantitative data spanning more than 50 years together with qualitative research this book examines investigative journalism's role in liberal democracies in the past and in the digital age In its ideal form investigative reporting provides a check on power in society and therefore can strengthen democratic accountability The capacity is important to address now because the political and economic environment for journalism has changed substantially in recent decades In particular the commercialization of the Internet has disrupted the business model of traditional media outlets and the ways news content is gathered and disseminated Despite these disruptions this book's central aim is to demonstrate using empirical research that investigative journalism is not in fact in decline in developed economies as is often feared

Double Disillusion Anika Gauja, Peter Chen, Jennifer Curtin, Juliet Pietsch, 2018-04-11 This book provides a comprehensive analysis of the 2016 Australian federal election Won by the Liberal National Coalition by the slimmest of margins the result created a climate of political uncertainty that threatened the government's lower house majority While the campaign might have lacked the theatre of previous elections it provides significant insights into the contemporary political and policy challenges facing Australian democracy and society today In this the 16th edited collection of Australian election studies 41 contributors from a range of disciplines bring an unprecedented depth of expertise to the 2016 contest The book covers the context key battles and issues in the campaign and reports and analyses the results in detail It provides an evaluation of the role of political actors such as the parties independents the media interest groups and GetUp and examines election debate in the online space Experts from a range of policy fields provide an analysis of election issues ranging from the economy and industrial relations to social policy the environment and gender and sexuality Each of the chapters is written on the basis of in depth and original research providing new insights into this important political event

Contemporary Politics in Australia Rodney Smith, Ariadne Vromen, Ian Cook, 2012-02-02 A diverse range of experts provide a comprehensive introduction to current theories debates and research in Australian political science

Ms. Prime Minister Linda Trimble, 2018-01-18 Ms Prime Minister offers both solace and words of caution for women politicians After closely analyzing the media coverage of former Canadian Prime Minister Kim Campbell two former Prime Ministers of New Zealand Jenny Shipley and Helen Clark and Australia's 27th Prime Minister Julia Gillard Linda Trimble concludes that reporting both reinforces and contests unfair gender norms News about female leaders gives undue attention to their gender identities bodies and family lives Yet equivalent men are also treated to evaluations of their gendered personas And as Trimble finds some media accounts expose sexism and authenticate women's performances of leadership Ms Prime Minister provides important insight into the news frameworks that work to deny or confer political legitimacy It concludes with advice designed to inform the gender strategies of women who aspire to

political leadership roles and the reporting techniques of the journalists who cover them *Abbott's Gambit* Carol Johnson, John Wanna, Hsu-Ann Lee, 2015-01-21 This book provides a truly comprehensive analysis of the 2013 federal election in Australia which brought the conservative Abbott government to power consigned the fractious Labor Party to the Opposition benches and ended the hung parliament experiment of 2010-13 in which the Greens and three independents lent their support to form a minority Labor government It charts the dynamics of this significant election and the twists and turns of the campaign itself against a backdrop of a very tumultuous period in Australian politics Like the earlier federal election of 2010 the election of 2013 was an exercise in bipolar adversarial politics and was bitterly fought by the main protagonists It was also characterised again by leadership changes on Labor's side as well as the entry of new political parties anxious to deny the major parties a clear mandate Moreover the 2013 election continued the trend whereby an increasing proportion of the electorate has chosen not to vote for one of the main two political parties While the 2013 election delivered a clear victory to the Coalition in the Lower House it simultaneously produced a much more mixed outcome in the Senate where the Greens managed to record their largest ever representation and a new party the Palmer United Party initially secured three Senate positions at its first attempt together with the election of Clive Palmer to a Queensland seat in the House of Representatives With minor and micro parties also winning Senate seats amounting to a total of 18 Senators on the cross benches the Abbott government's ability to govern and pass legislation was placed in some doubt The 2013 election result suggested that far from ending the preceding tumultuous period of Australian politics it merely served to prolong this era indefinitely The 2013 campaign was one of the longest on record arguably commencing when the besieged Prime Minister Julia Gillard announced the date for the election in late January 2013 then over seven months away This unconventional tactic overshadowed the election from that date onwards providing a definite timeline for Labor infighting influencing the largely negative tactics of the Opposition and encouraging new parties to proliferate to contest the election This volume traces these formative influences on the campaign dynamics and explains the electoral outcome that occurred including the 2014 re-election for the Western Australian Senate seats ordered by the High Court *Abbott's Gambit* includes insightful contributions from academic experts campaign directors and electoral watchers political advisers and professional psephologists Contributors utilise a wide range of sources and approaches including the Australian Election Survey to provide a detailed analysis of this important federal election *Political Communication* Carsten Reinemann, 2014-07-28 Against the background of an enormous expansion and diversification of both political communication itself and scientific research into its structures processes and effects this volume gives an overview of some of the key theories and findings accumulated by political communication research over the last decades In order to do so the volume provides readers with review articles by renowned international authors on various aspects of I the normative regulatory and conceptual foundations of political communication II different situations of political communication e.g. elections referendums social

movements media hype crisis and war III the activities of and part played by political actors IV mass media and journalism V characteristics and typical features of media messages VI the role played by citizens as well as VII various kinds of effects on citizens Each section includes several chapters that address specific issues and research problems in the form of comprehensive overviews articles

Government Communication Karen Sanders, Maria Jose Canel, 2013-06-20

Government communication is a curiously neglected area of discursive analysis No considered examination of the subject exists which provides either an account of the contemporary governmental landscape or an explanation of the common and divergent themes on both a domestic and international basis This volume aims to fill that gap providing a concise and illuminating case study based review of government communication It will be divided into three sections to reflect differences in both geography and political allegiances scrutinizing continental Europe Anglo American traditions and newly emerging democracies Offering a global and thematic account it is an indispensable resource for all students of political communication

How Australia Decides Election Reporting And The Media Introduction

How Australia Decides Election Reporting And The Media Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. How Australia Decides Election Reporting And The Media Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. How Australia Decides Election Reporting And The Media : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for How Australia Decides Election Reporting And The Media : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks How Australia Decides Election Reporting And The Media Offers a diverse range of free eBooks across various genres. How Australia Decides Election Reporting And The Media Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. How Australia Decides Election Reporting And The Media Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific How Australia Decides Election Reporting And The Media, especially related to How Australia Decides Election Reporting And The Media, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to How Australia Decides Election Reporting And The Media, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some How Australia Decides Election Reporting And The Media books or magazines might include. Look for these in online stores or libraries. Remember that while How Australia Decides Election Reporting And The Media, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow How Australia Decides Election Reporting And The Media eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the How Australia Decides Election Reporting And The Media full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of How Australia Decides Election Reporting And The Media eBooks, including some popular titles.

FAQs About How Australia Decides Election Reporting And The Media Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. How Australia Decides Election Reporting And The Media is one of the best book in our library for free trial. We provide copy of How Australia Decides Election Reporting And The Media in digital format, so the resources that you find are reliable. There are also many Ebooks of related with How Australia Decides Election Reporting And The Media. Where to download How Australia Decides Election Reporting And The Media online for free? Are you looking for How Australia Decides Election Reporting And The Media PDF? This is definitely going to save you time and cash in something you should think about.
