How Do We Know God Is Really There:

Finding Hope Maria Clark, 2022-04-26 The Bellows family is shattered by a choice a son makes which can't be undone. Now a father, mother, and sister must navigate their tremendous grief to find the other side. Norah Bellows, a Special Education Teacher, turned her back on God long ago. She was determined to rely on herself to get through the trials of life, but now in the event of losing her only son, Norah must make a choice which will drastically change the course of her family's life. Charlotte Bellows was in denial of her older brother's choice. She tries to uncover his secrets to discover why, on April 5, 2019, her world came crashing down. Charlotte desperately tries to uncover the answers that she hopes will put her heart at rest when she meets a young man who may hold the key to what she didn't know she needed most: A story about God's everlasting faithfulness, the power of hope, and His healing redemption which overcomes even the deepest of sorrows. **How Do We**

Know the Bible Is True Volume 2 Ken Ham, Bodie Hodge, 2013-01-04 Unless otherwise noted, Scripture quotations are from the New King James Version of the Bible. **How to Know God Exists** Ray Comfort, 2008 With the recent wave of books on atheism becoming New York Times best sellers, the God debate is heating up. Because of the implications, it's the most significant question of all time: Is there a God or isn't there? In this compelling book, Ray Comfort argues the case with simple logic and common sense. If there is a God, surely He has made His presence known so that anyone, young or old, scholar or school child, can find Him. By applying basic logic to three clear evidences for the existence of God, Comfort will help you to examine the case for evolution and see what top scientists are really saying about the theory. Explore the facts that led the world's most notorious atheist to acknowledge a Creator. Investigate the evidence to discover who God is through 100% scientific proof you can know God exists. **Sermons on the Second Readings** James L. Killen, Richard W.

Ferris, William G. Carter, 2004 This superb collection of biblically sound sermons based on the Second Readings from Cycle A of the Revised Common Lectionary covers every Sunday and major celebration of the church year. Five outstanding preachers from diverse denominations combine imaginative insights into the New Testament epistle texts with fresh, inspiring illustrations that enlighten the mind and warm the heart. By reliving the journey of Jesus through the prism of the early church's practical and moral concerns, these messages offer valuable lessons for Christian living in the modern world. This essential resource is useful for fresh homiletical approaches to the lectionary texts, preaching illustrations, understanding scripture passages, adult study and discussion groups, personal devotions, and Bible study. Thoughtful, insightful, and sprinkled with good humor, these sermons from Rich Ferris will warm your heart and give you fresh ideas. Most importantly, they clearly communicate the good news of Christ. Brian Cowan, Pastor, Barberton Evangelical Friends Church, Barberton, Ohio. William G. Carter's sermons are an eruption of ingenious images, powerful experiences, and inventive connections. The result of interplay between creativity and fidelity, they are a splash of wildflowers growing in rich and loamy soil. Thomas G. Long, Bandy Professor of Preaching, Candler School of Theology, Emory University. **Wisdom From the Margins** William G.

Britton,2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price Beware the Winds of Doctrine Henry Miranda,2011-07-29 Can I Really Know Jesus? Toward a Christian View of a Scientific World

George L. Murphy, 2001 Modern science and science based technology have changed traditional understandings of the world in profound ways A pastor who is also a trained scientist draws on his diverse background to help readers put today's scientific knowledge in the context of Christian faith Murphy sees the world described by today's science as the creation of God revealed in Jesus Christ and technology and modern medicine as ways to carry out God's purpose for the world This book is a useful tool for introducing readers to the crucial conversations and interactions now occurring between the fields of science theology technology and ethics It's a clear and accessible text that's appropriate for adult classes and lay groups of all levels This comprehensive and readable work by a well qualified and experienced scientist theologian and pastor fills a very important gap in the current literature regarding the new dialogue that has been emerging in recent years between science and religion It seeks to develop a Christian view of the world that is congruent with modern science It includes discussions of the practical and moral implications of issues such as genetic engineering and medicine and their implications for worship and prayer David E. Arthur Eden Theological Seminary George L. Murphy is a Phi Beta Kappa graduate of Ohio University Johns Hopkins University where he earned a Ph.D. in physics and Wartburg Theological Seminary He has taught at the University of Western Australia Westminster College Luther College and Trinity Lutheran Seminary Widely published in both scientific and religious periodicals Murphy has received two awards from the Templeton Foundation for his papers on science and religion A Lutheran pastor Murphy is also the principal author of Cosmic Witness CSS

Hell Bent

Brian Recker, 2025-09-30 A former evangelical pastor explains why we can stop worrying about hell and start focusing on love If

you've ever struggled with the idea of eternal conscious torment Hell Bent is for you Pete Enns There is a black hole at the center of Christian spirituality the doctrine of hell No matter how hard we try to believe in a loving God the fear of eternal torment always lurks at the back of our minds warping our sense of what love means Worse still many churches act as if the point of Christianity is not to follow Jesus but to secure a get out of hell free card and to save everyone you know by converting them to your religion For many of us the whole story of Christianity has punishment at the very center But does the Bible really say we're going to hell if we don't do or believe the right things In this taboo shattering book former evangelical pastor Brian Recker takes an honest look at scripture and reveals what has been true all along Hell isn't real and God's universal love is radically inclusive in this life and the next By removing punishment from Christianity's center Recker boldly reimagines the core questions of faith such as why Jesus lived and died and what it means to be saved It's time to rediscover spirituality as Jesus taught it loving God and loving our neighbors as ourselves Whether you're Christian exvangelical or anywhere along a deconstruction journey Hell Bent is the perfect resource to help you replace fear and church hurt with healing and peace
